- Fall 2006 – Arab Barometer Survey: Morocco (1277 respondents), Kuwait (750 respondents)
- Spring 2006 – Arab Barometer Survey: Palestine (1270 respondents), Jordan (1142 respondents)
- 2000: ITU World Telecommunication/ICT Indicators Database

# Today's Presentation

- **Distinguishing Factors: Economic and Political**
- **Common Elements: Political and Economic**
- **New Media**
- **Post-Revolutionary Conditions**
- **Post-Revolutionary Elections**
- **Religious Institutions and Identity**
- **International Issues**

# Upheavals occurred where the fewest were thriving; stability prevailed where the most were.

*Percent “thriving”*

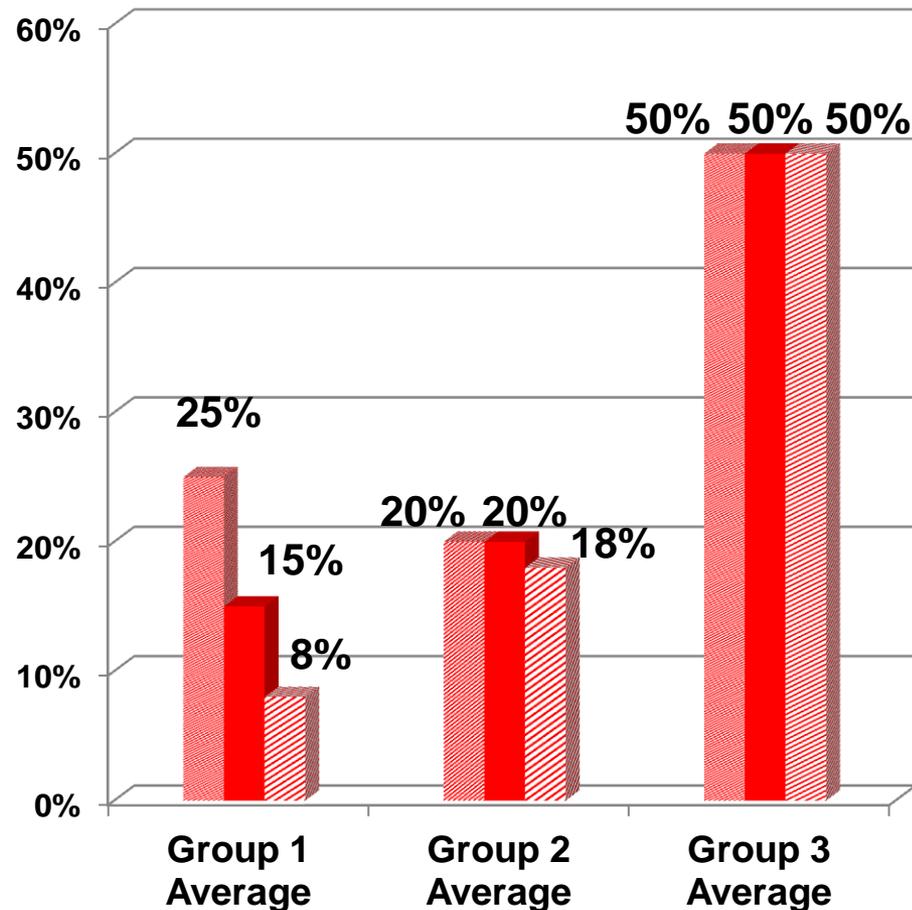

Group 1: Major Upheaval		Group 2: Spring 2011 Instability		Group 3: Stable	
Country	Thriving %	Country	Thriving %	Country	Thriving %
<b>Syria</b>	<b>3%</b>	<b>Morocco</b>	<b>9%</b>	<b>Kuwait</b>	<b>45%</b>
<b>Egypt</b>	<b>6%</b>	<b>Algeria</b>	<b>18%</b>	<b>Qatar</b>	<b>48%</b>
<b>Bahrain</b>	<b>7%</b>	<b>Lebanon</b>	<b>18%</b>	<b>Saudi Arabia</b>	<b>50%</b>
<b>Yemen</b>	<b>11%</b>	<b>Jordan</b>	<b>28%</b>	<b>UAE</b>	<b>58%</b>
<b>Libya</b>	<b>14%</b>				
<b>Tunisia</b>	<b>16%</b>				
<b>Group 1 Average</b>	<b>10%</b>	<b>Group 2 Average</b>	<b>18%</b>	<b>Group 3 Average</b>	<b>50%</b>

# The countries in upheaval saw significant drops in the proportions of citizens thriving in the past three years, unlike the rest.

Group 1 Countries

Country	% Thriving (2009)	% Thriving (2010)	% Thriving (2011)
Syria	21%	10%	3%
Egypt	25%*	11%	6%
Yemen	17%	12%	11%
Libya	24%	14%	N/A
Tunisia	25%*	14%	16%
Bahrain	40%	27%	7%

Average thriving: 2009\*-2011

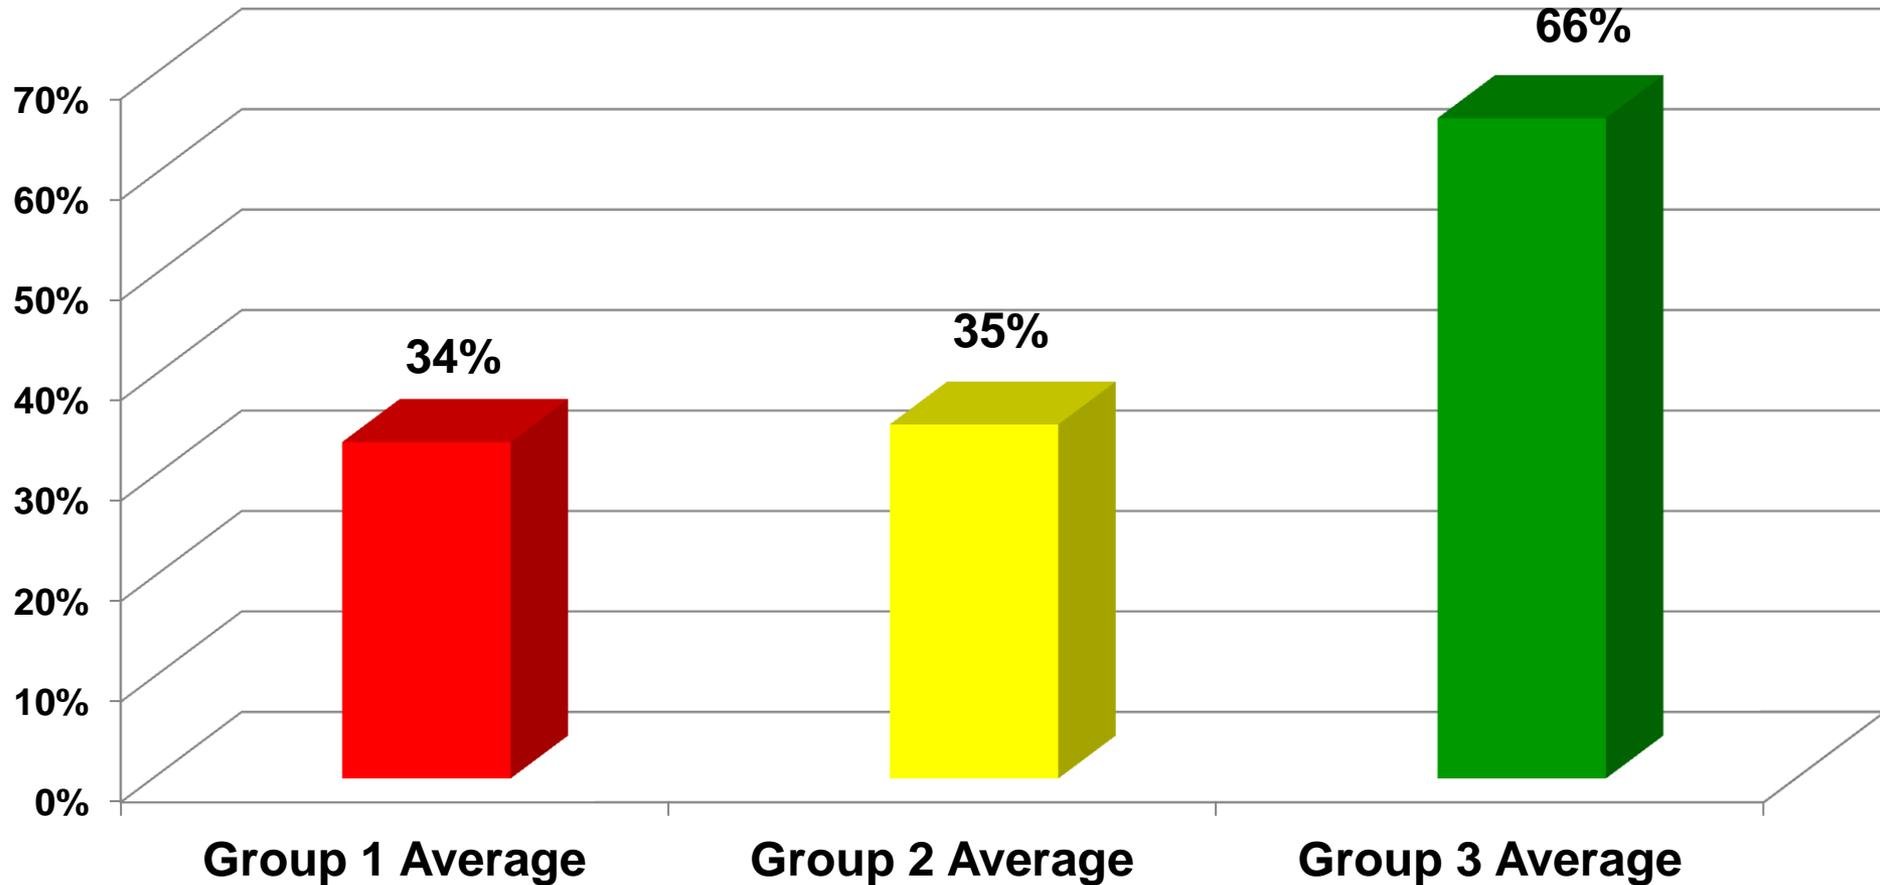

▨ 2009 ■ 2010 ▩ 2011

\*Egypt and Tunisia from 2007-2008 – more tracking data available

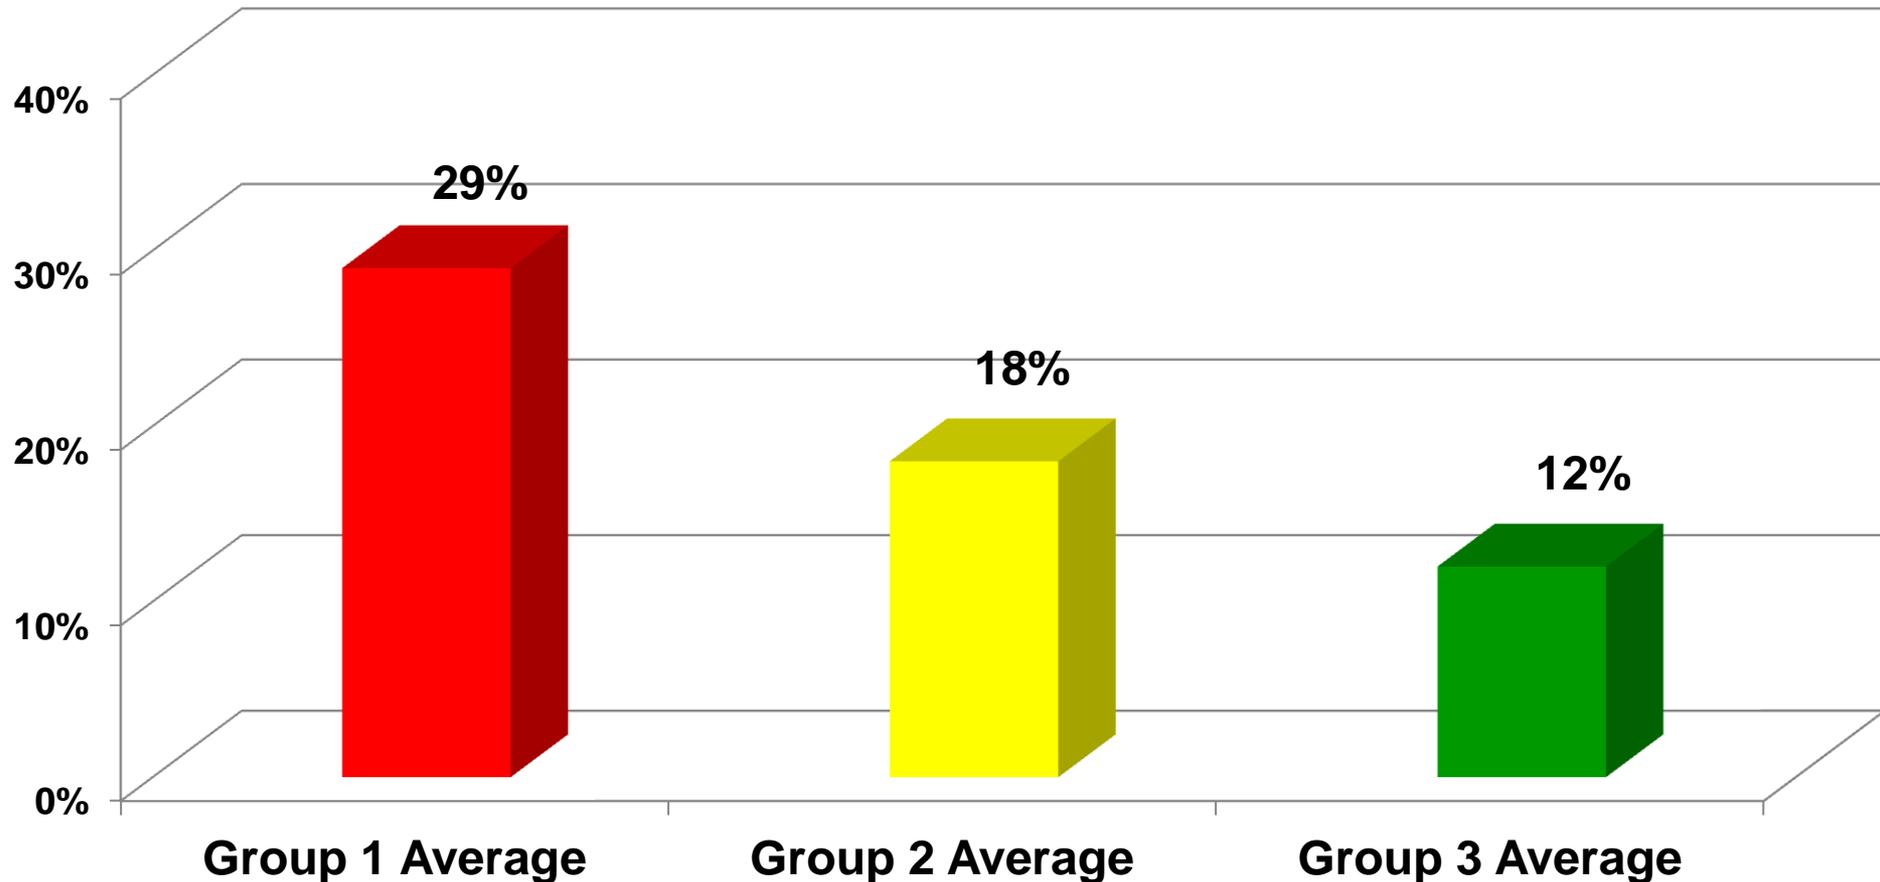

# The countries most dissatisfied with job creation tended to be the least stable (Groups 1 and 2).

*In your country, are you satisfied or dissatisfied with the efforts to increase the number of quality jobs?  
(Satisfied only)*

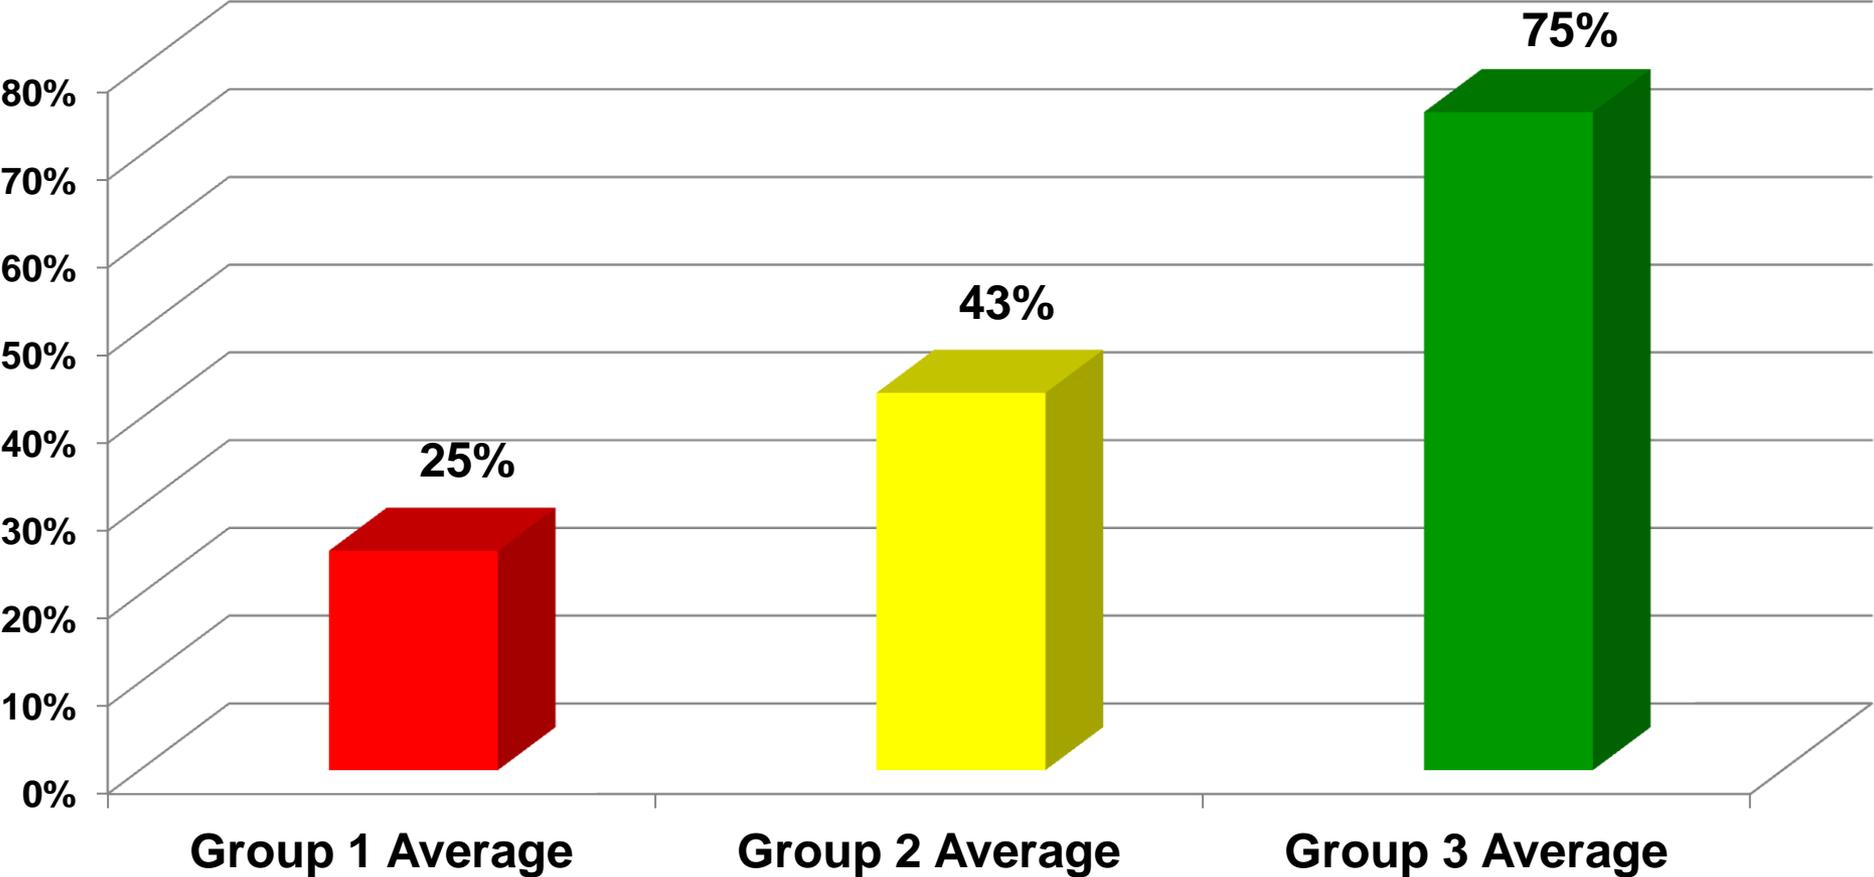

# Countries with more poverty had more unrest.

*Have there been times in the last 12 months when you did not have enough money to buy the food that you or your family needed?  
(Yes only)*

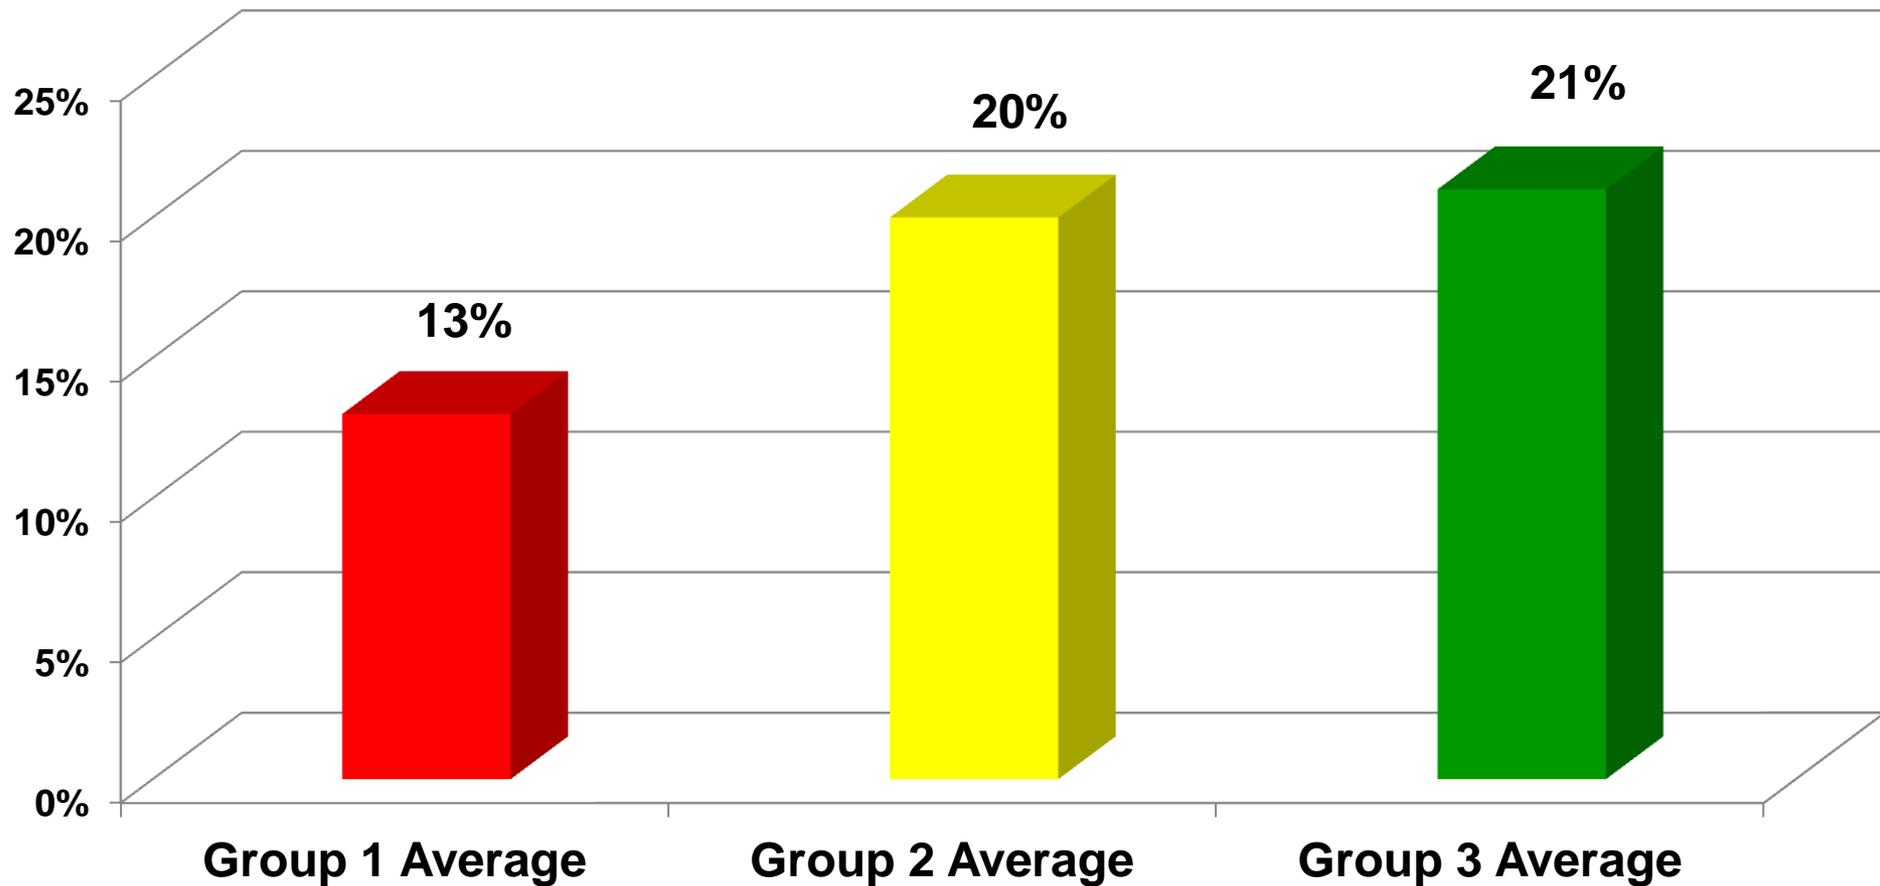

# **Dissatisfaction with the local economy was also closely linked to instability.**

*Right now, do you think the economic conditions in the city or area in which you live, as a whole, are getting better or worse?  
(Better only)*

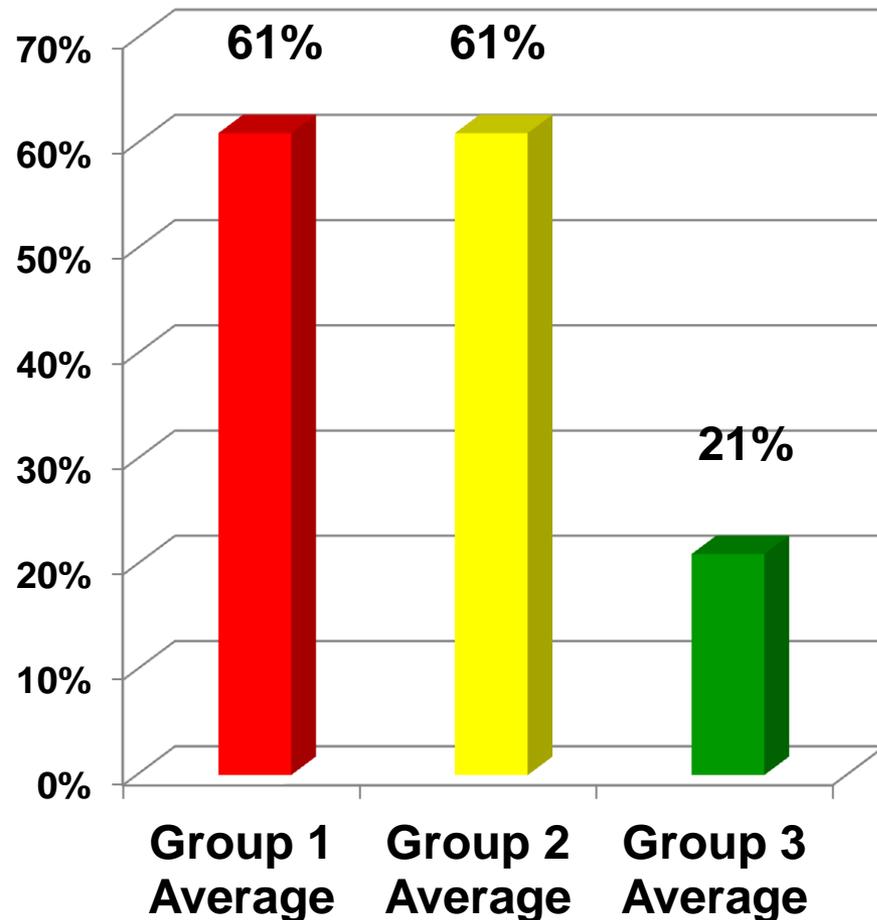

# Regimes fell in countries where people felt the most voiceless.

*Have you voiced your opinion to a public official (in the last month)?  
(Yes only)*

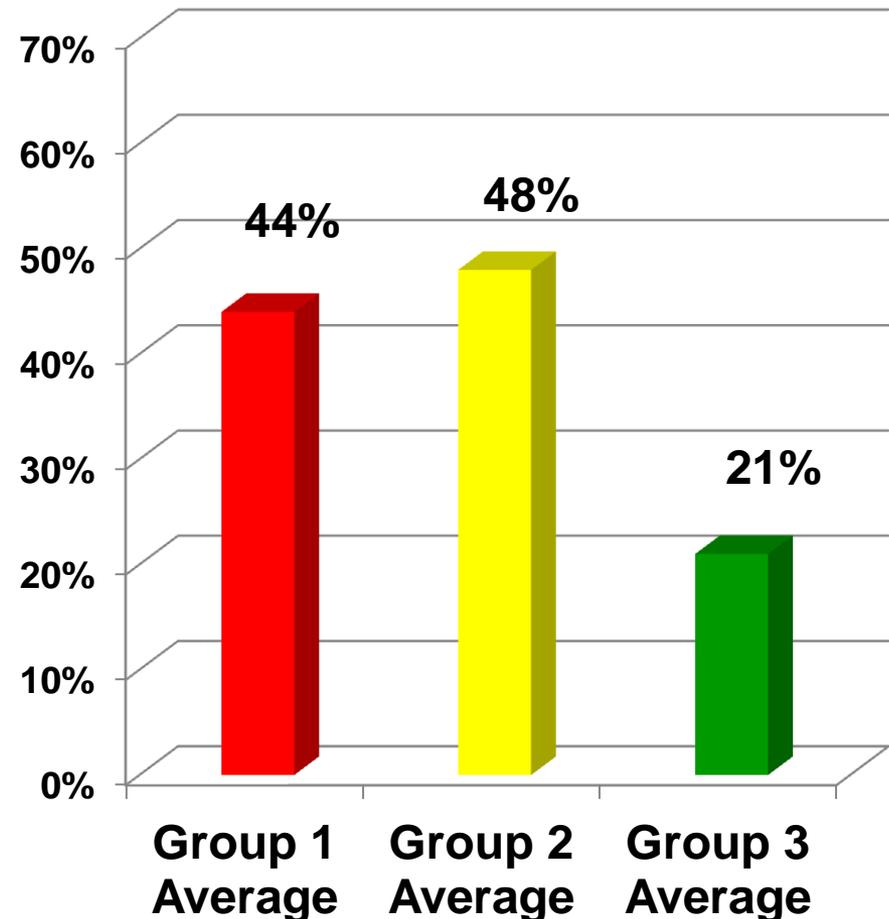

# Perceptions of widespread corruption and reported problems were more common in Groups 1 and 2 – the less stable countries.

*Is corruption widespread throughout the government in your country?  
(Yes only)*

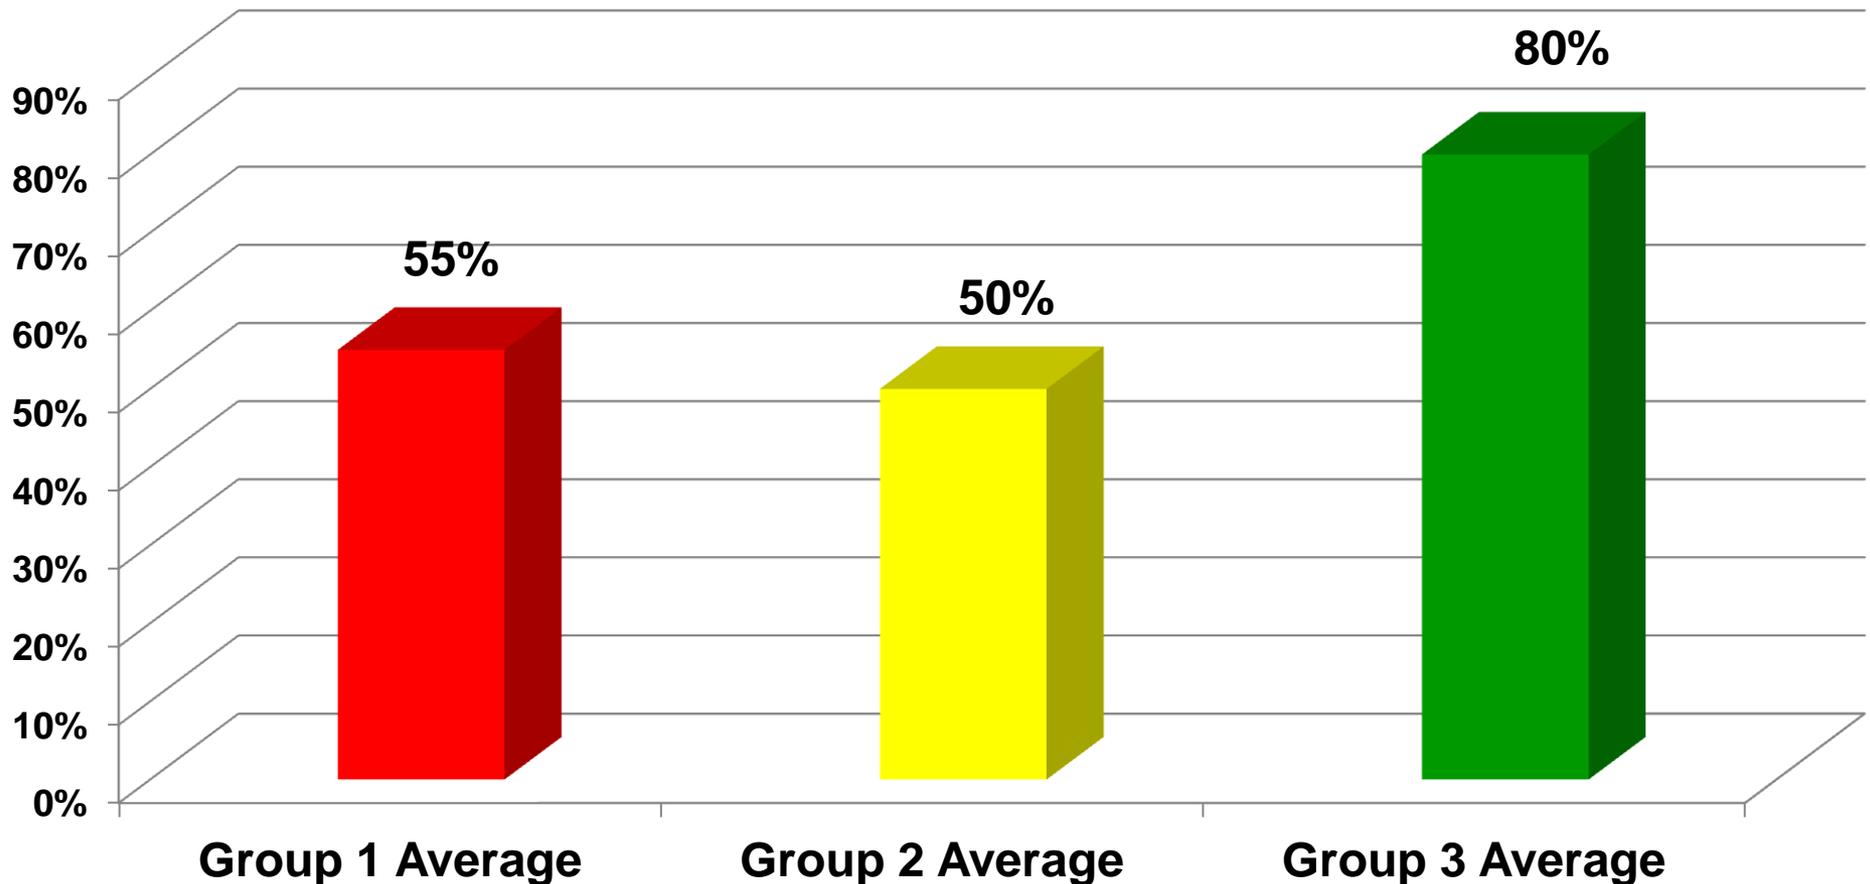

*Paid bribe to official for service in past year  
(Yes only)*

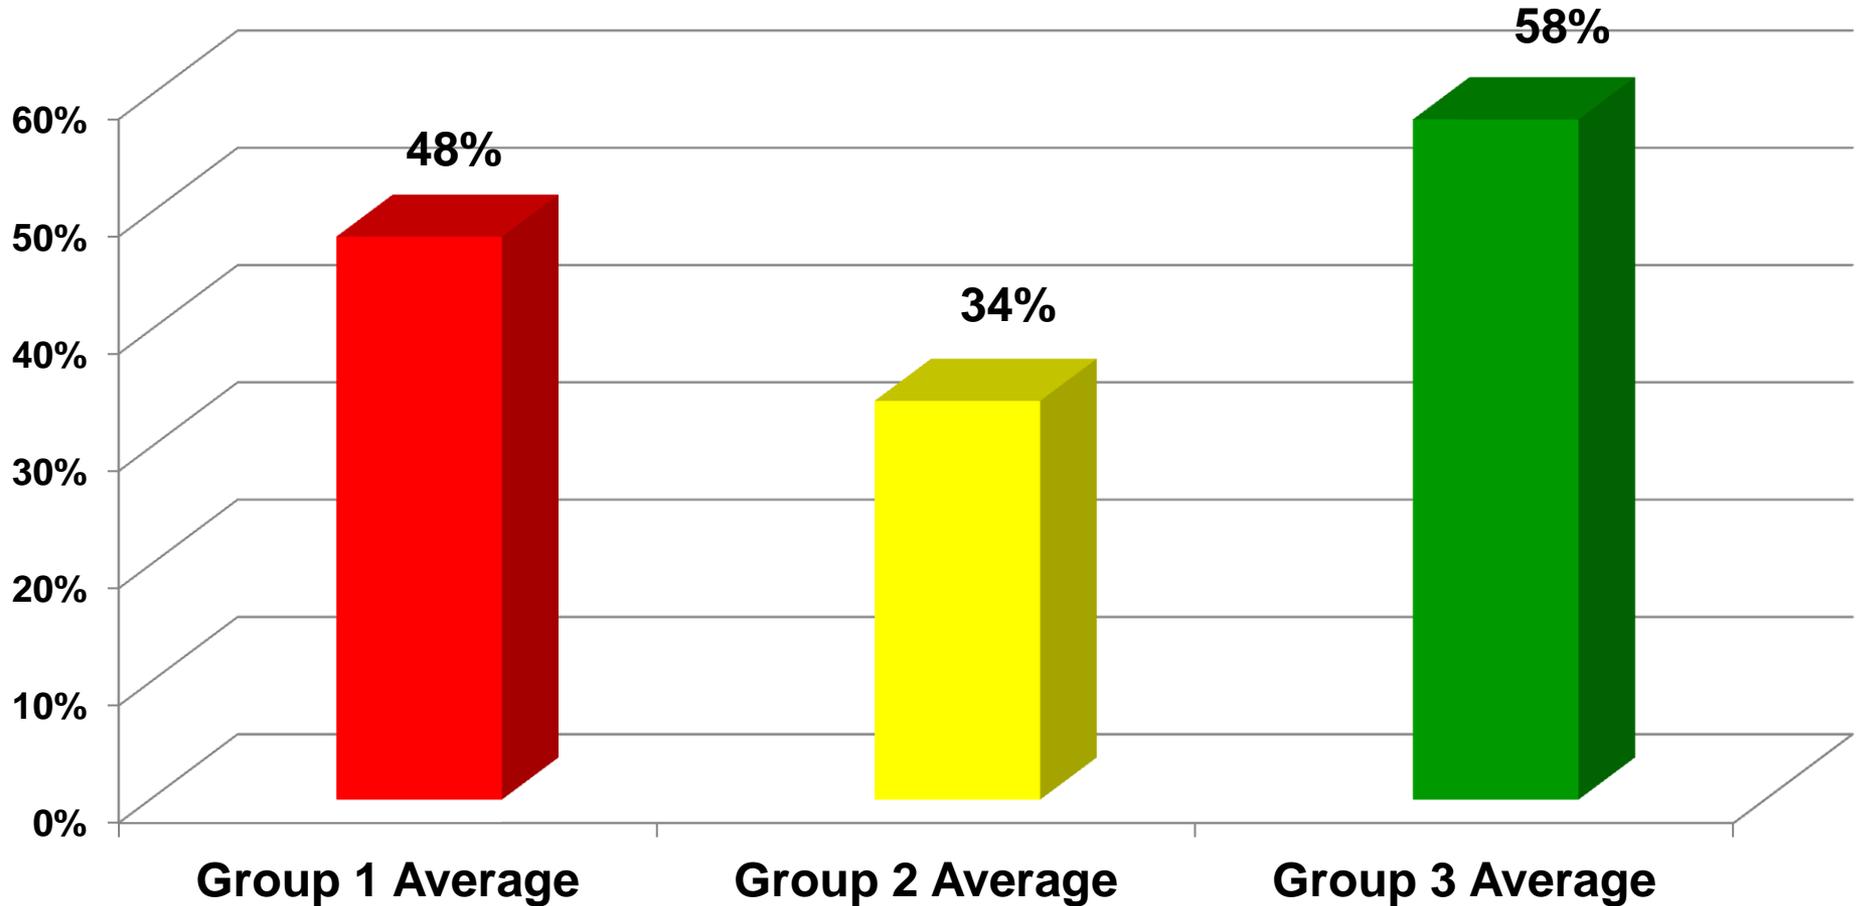

# Lack of confidence in the rule of law was linked to instability.

*In your country do you have confidence in the judicial system and the courts?  
(Yes only)*

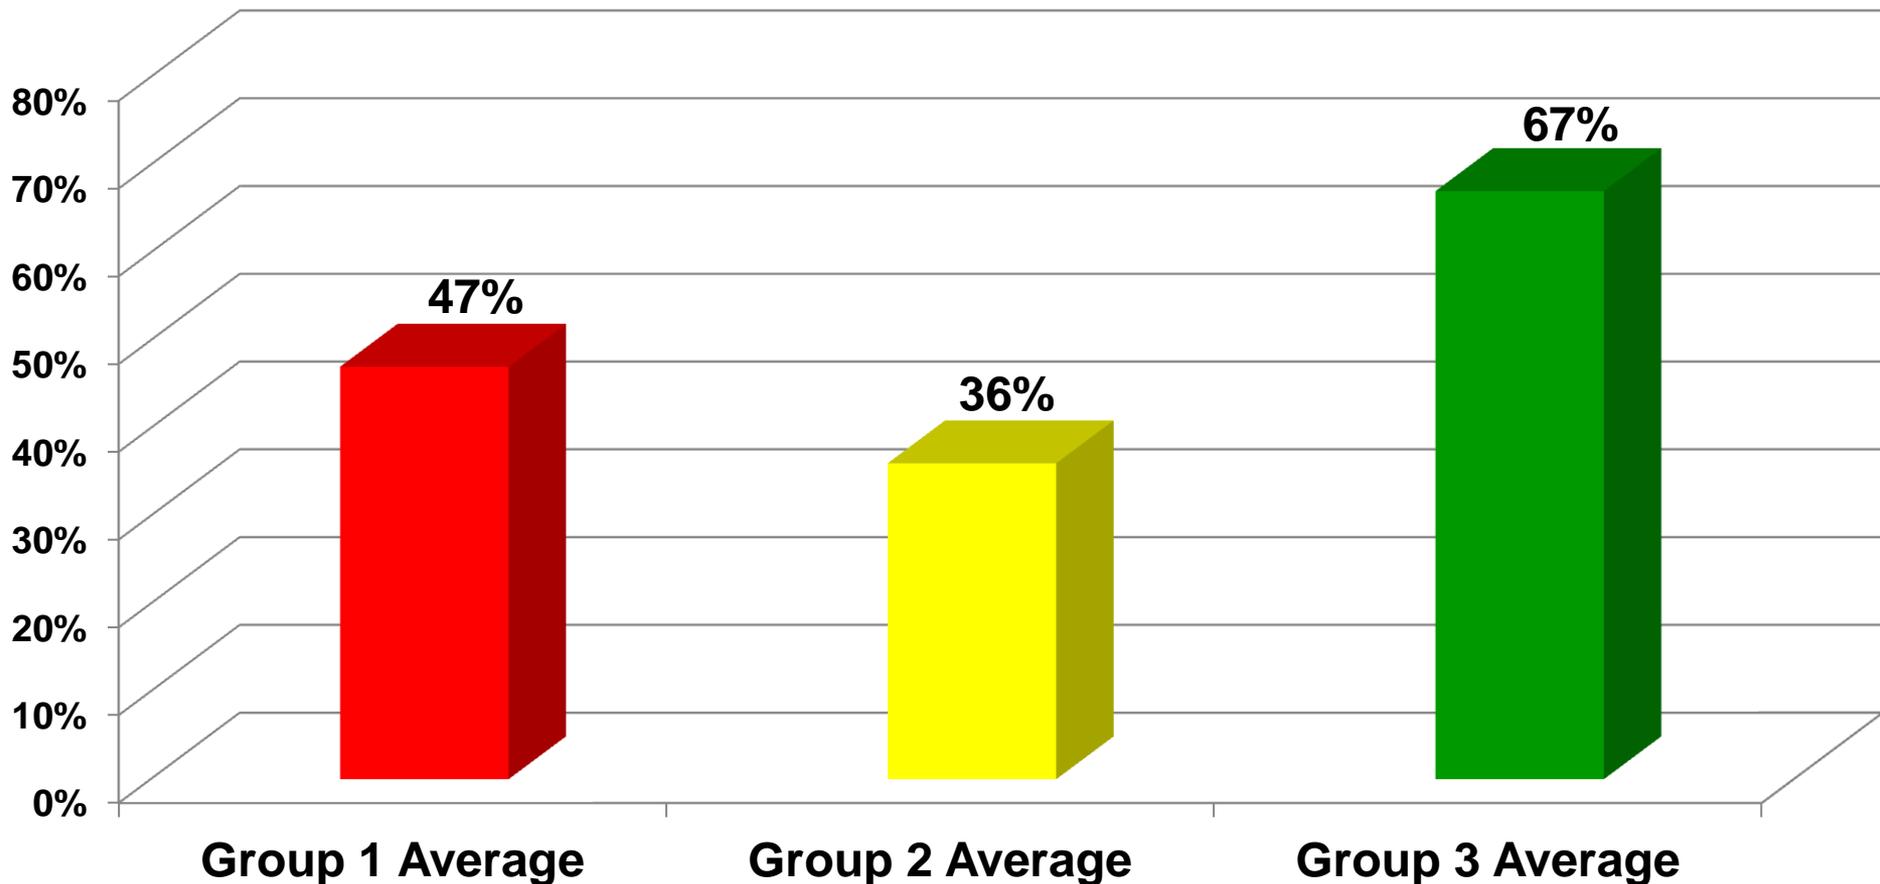

# Countries where elections were seen as rigged also were less stable.

*In your country do you have confidence in the honesty of elections?  
(Yes only)*

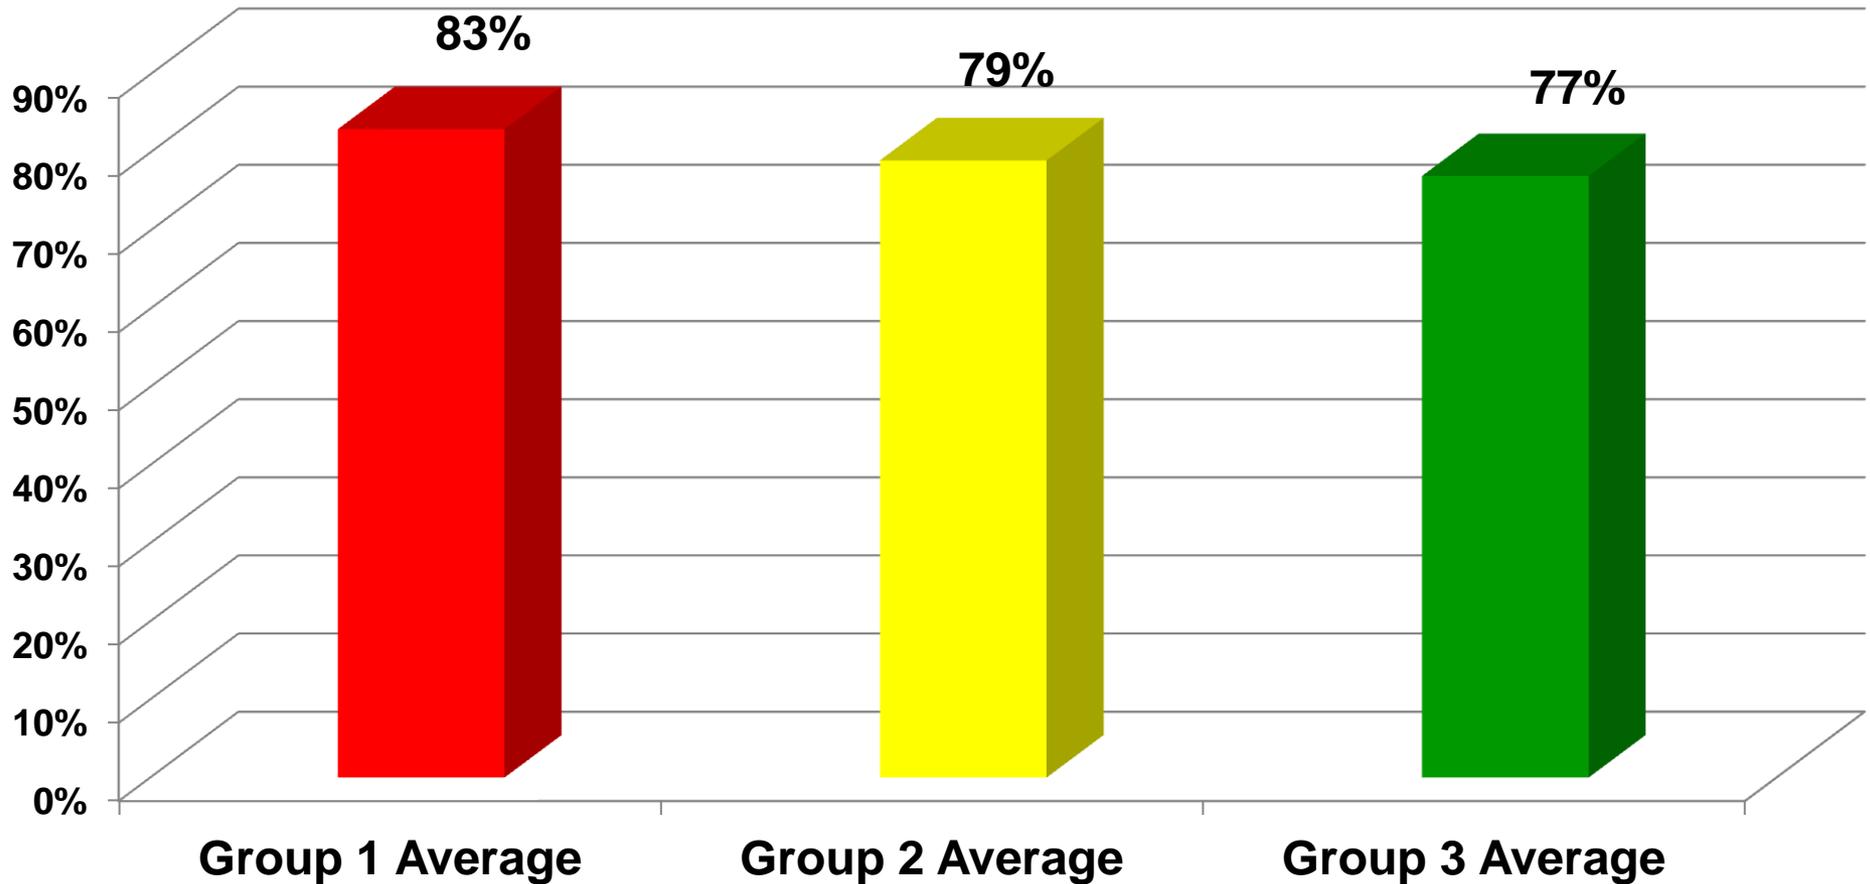

# Countries where mistrust of domestic media was higher (Groups 1 and 2) were more unstable.

*In your country do you have confidence in the quality and integrity of the media?  
(Yes only)*

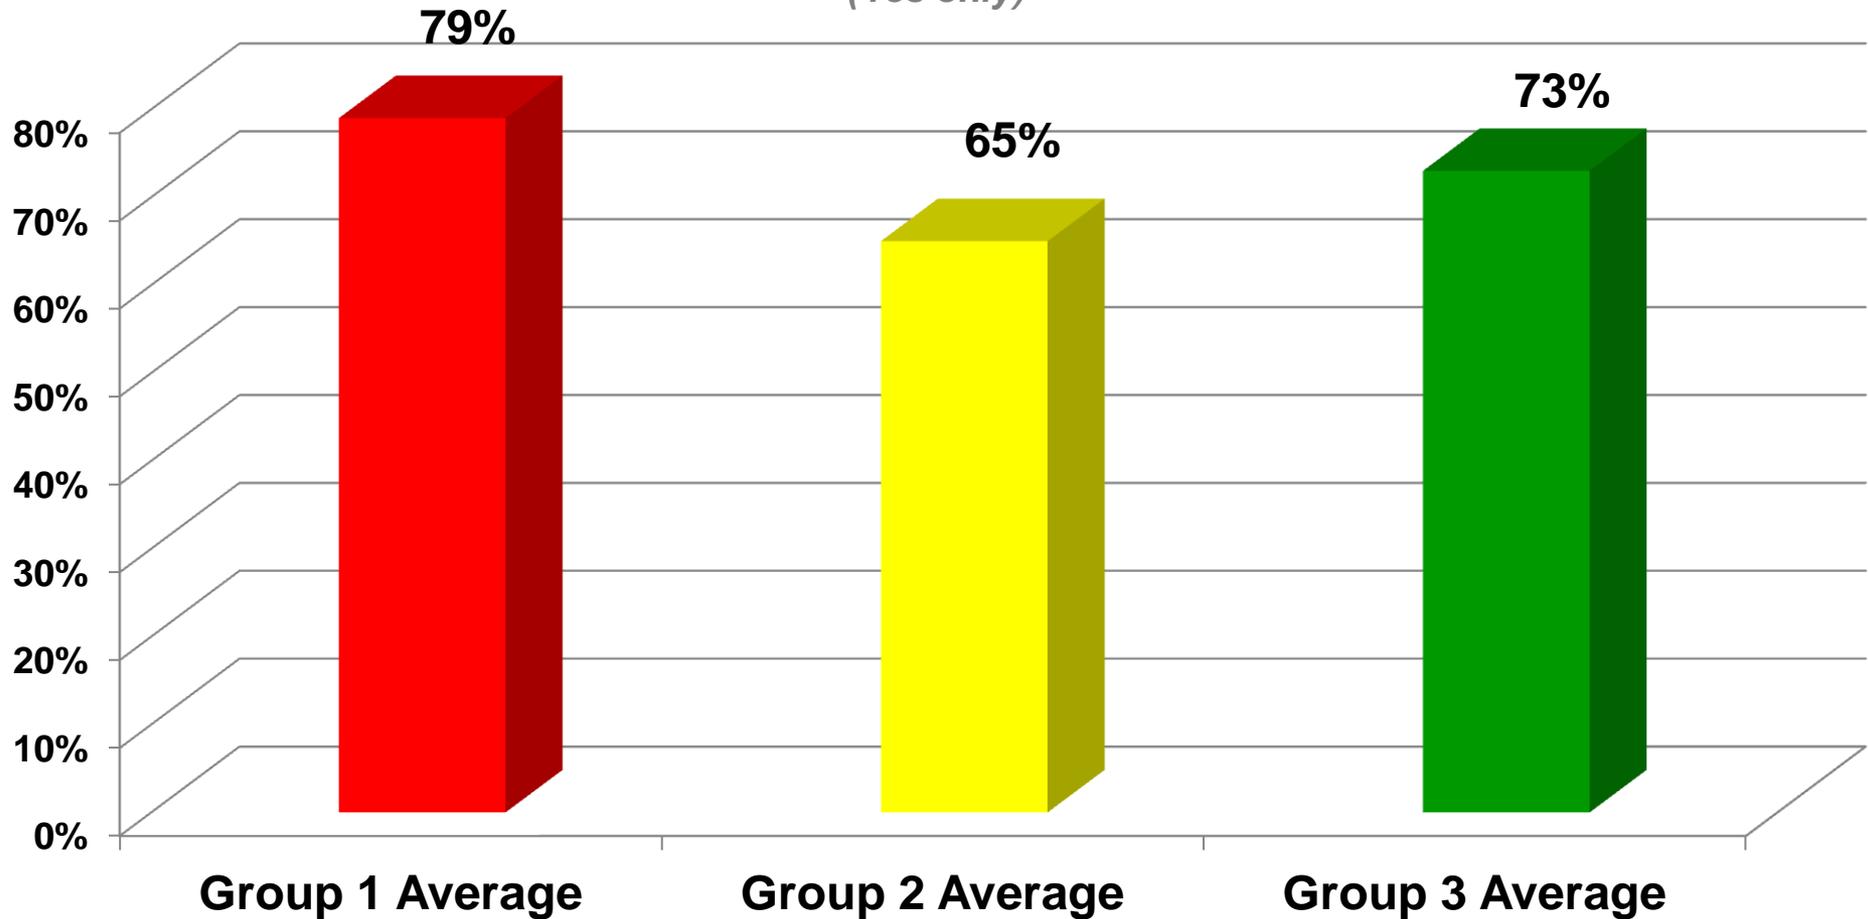

# There is a strong desire for democracy across the region.

*Percent preferring a democratic system of government*

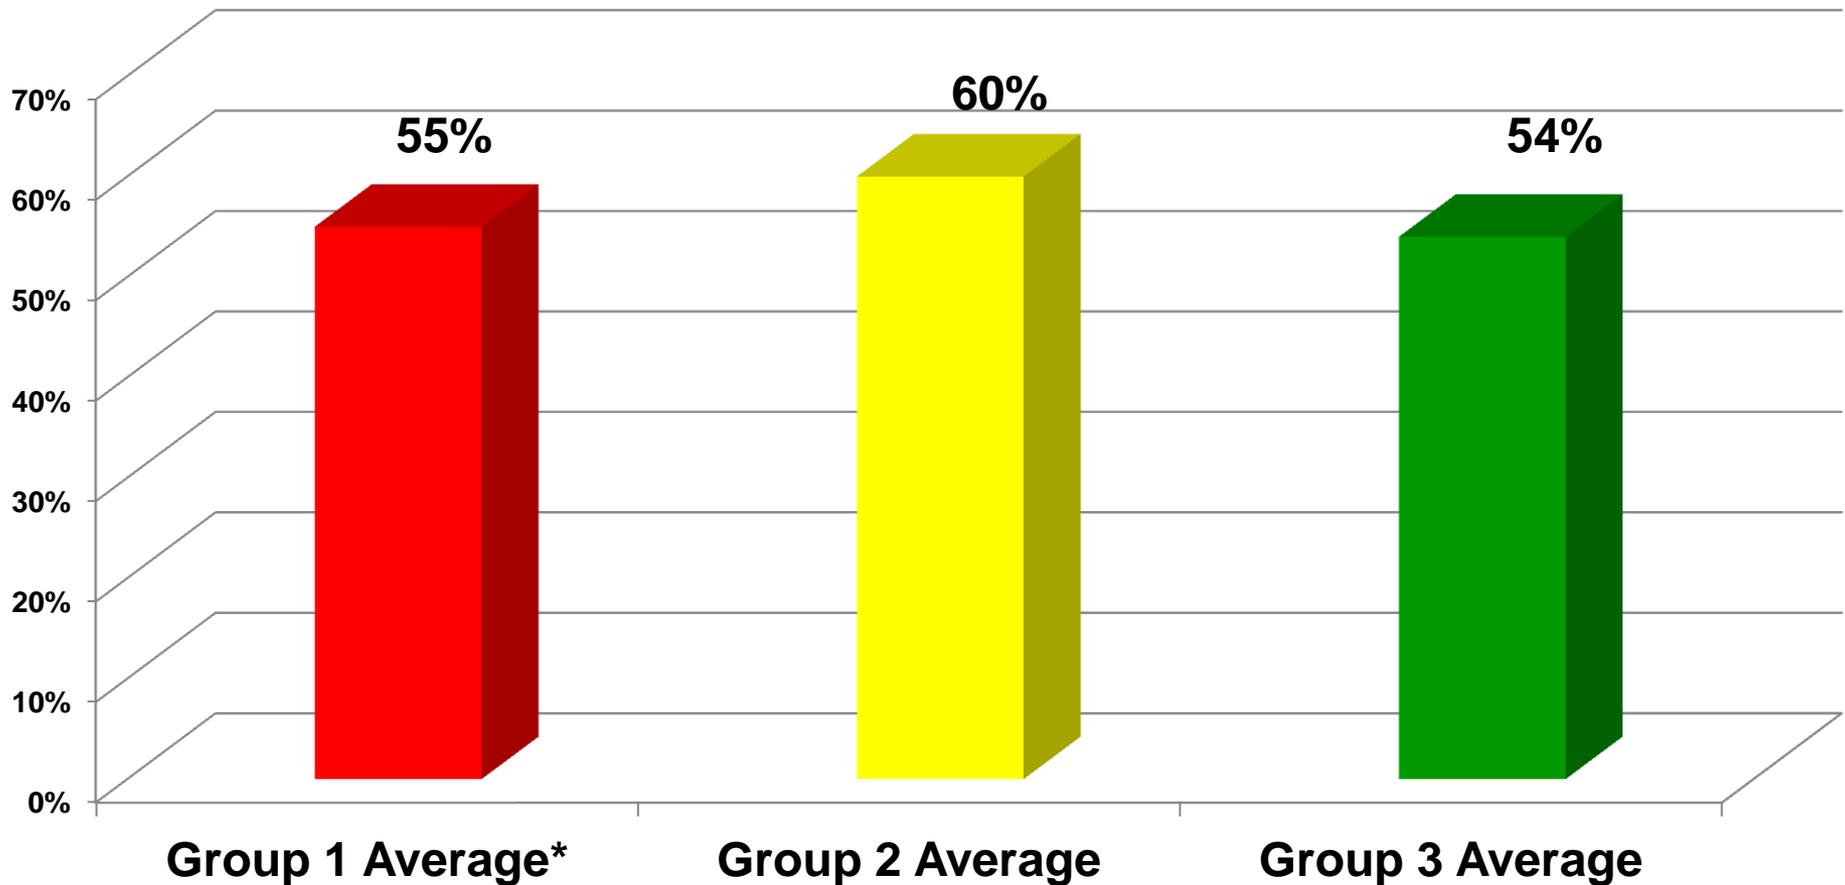

# Majorities throughout the Arab world believe today that democracy is compatible with Islam.

*Democracy compatible with Islam  
(Yes only)*

# The majority of citizens said political change should be peaceful in Arab countries (except Libya).

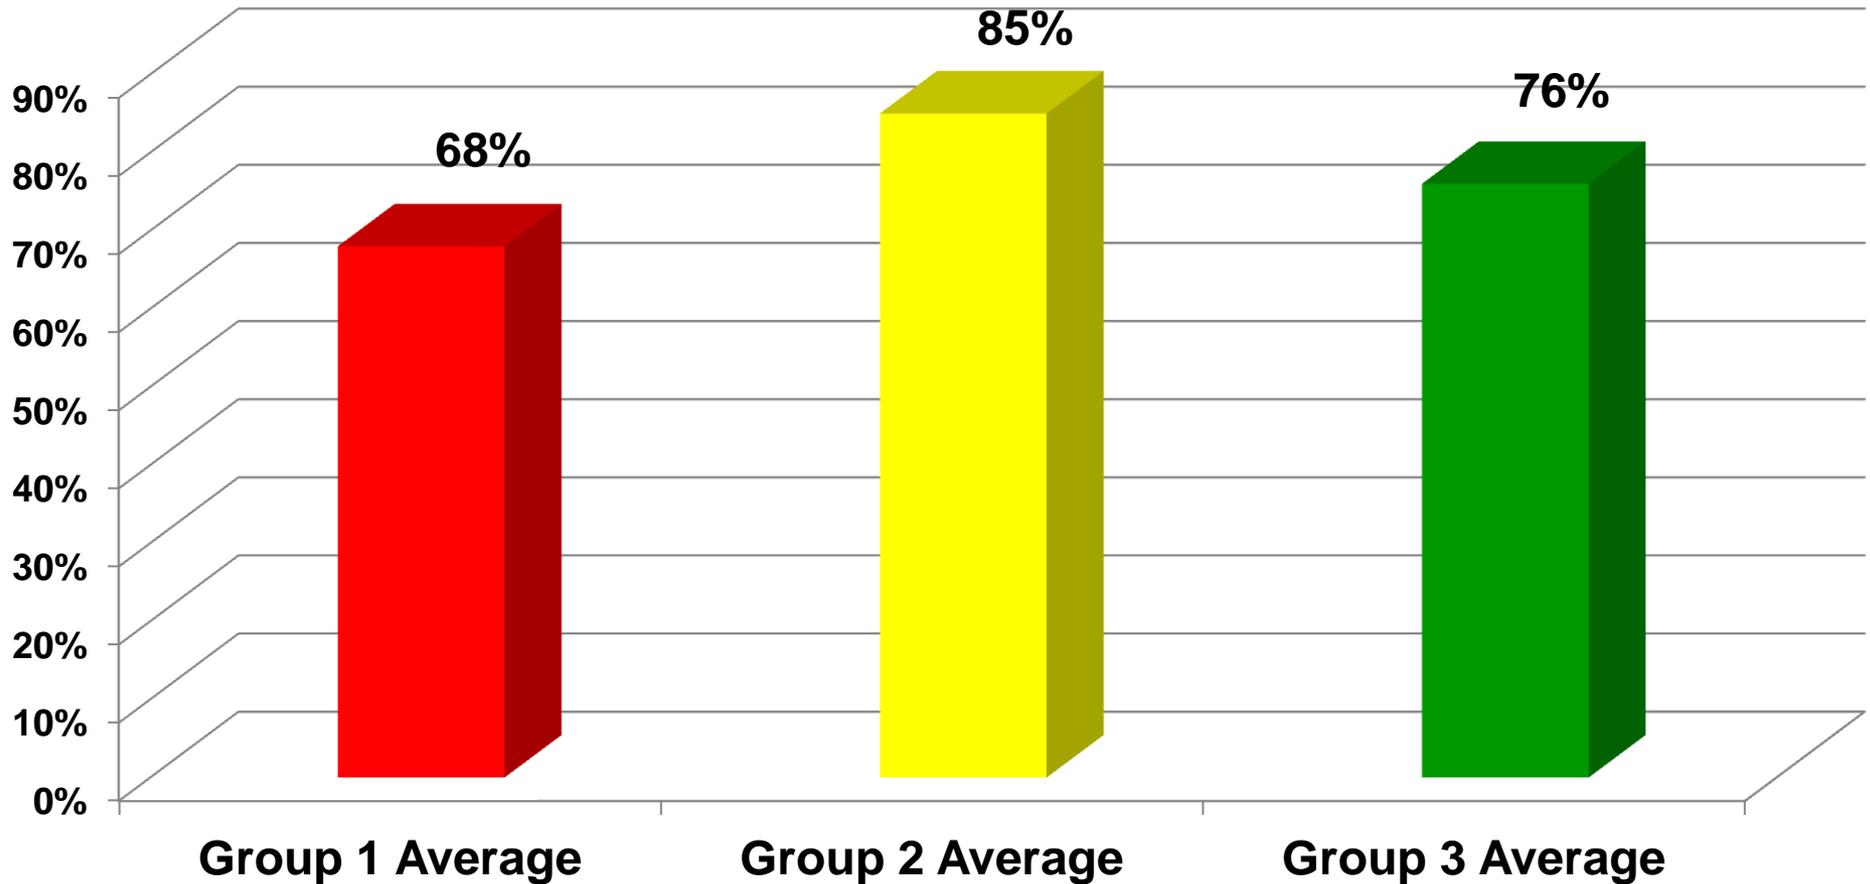

*Some people believe that groups that are oppressed and are suffering from injustice can improve their situation by peaceful means ALONE. Others do not believe that peaceful means ALONE will work to improve the situation for such oppressed groups. What do you believe?  
(Believe peaceful means ALONE only)*

\*Libya: 34%

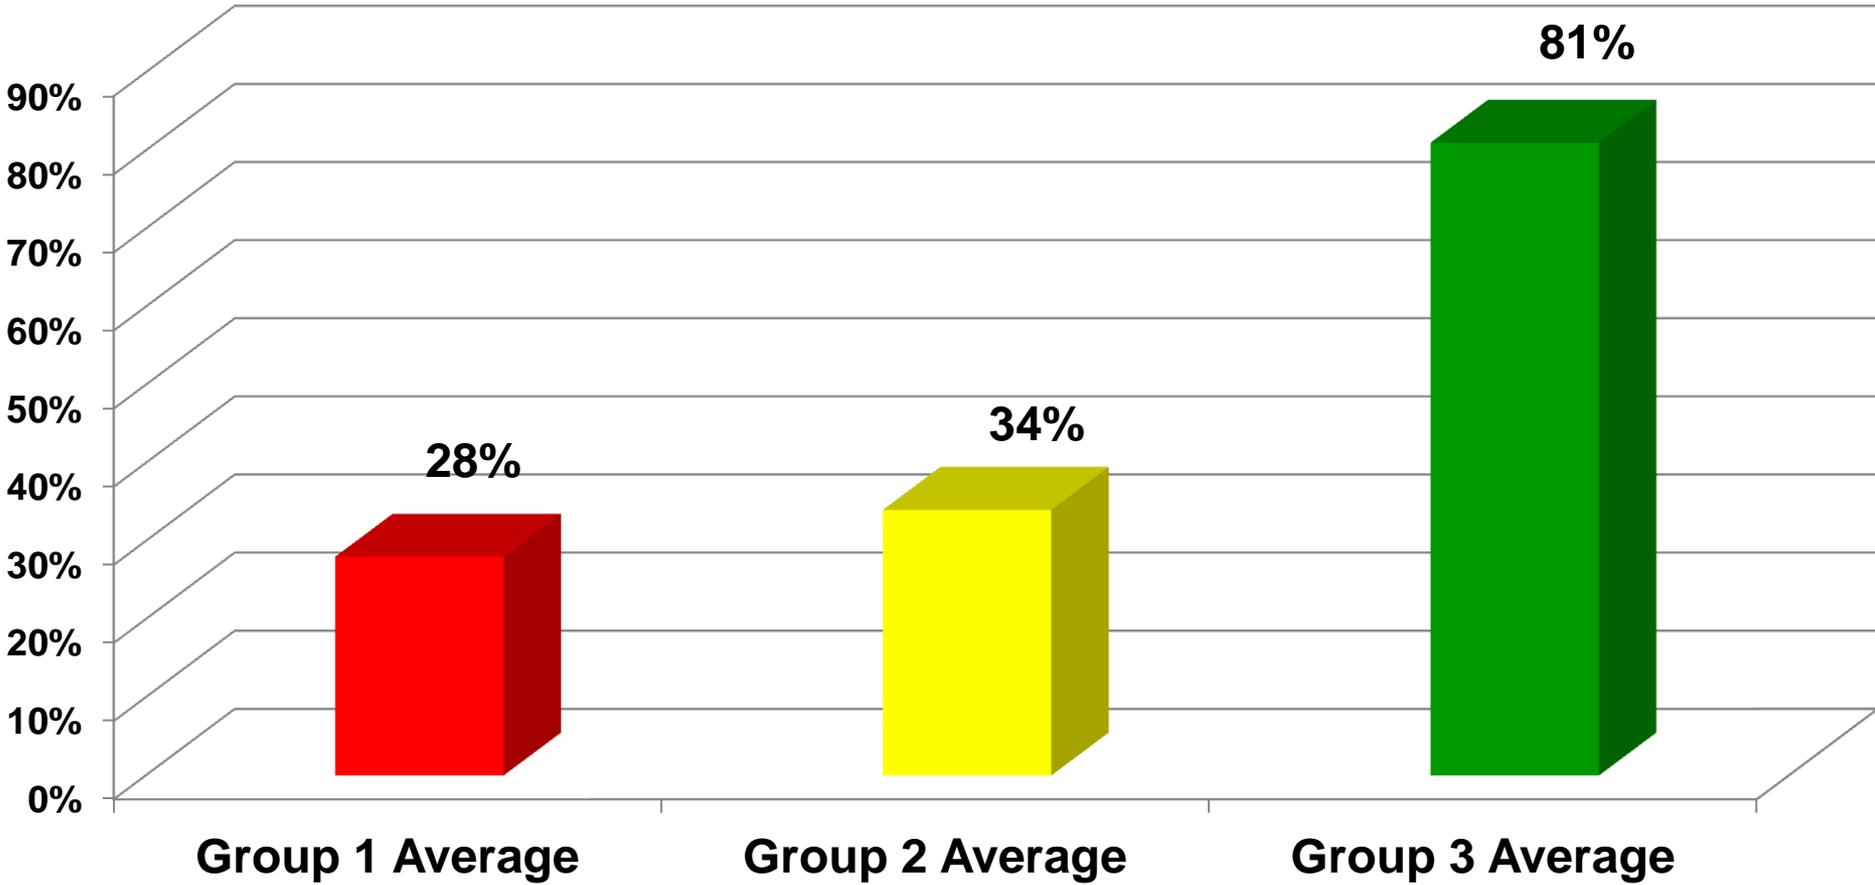

# **A consensus across the region favors foreign trade and globalization.**

*Percent saying greater foreign trade is good*

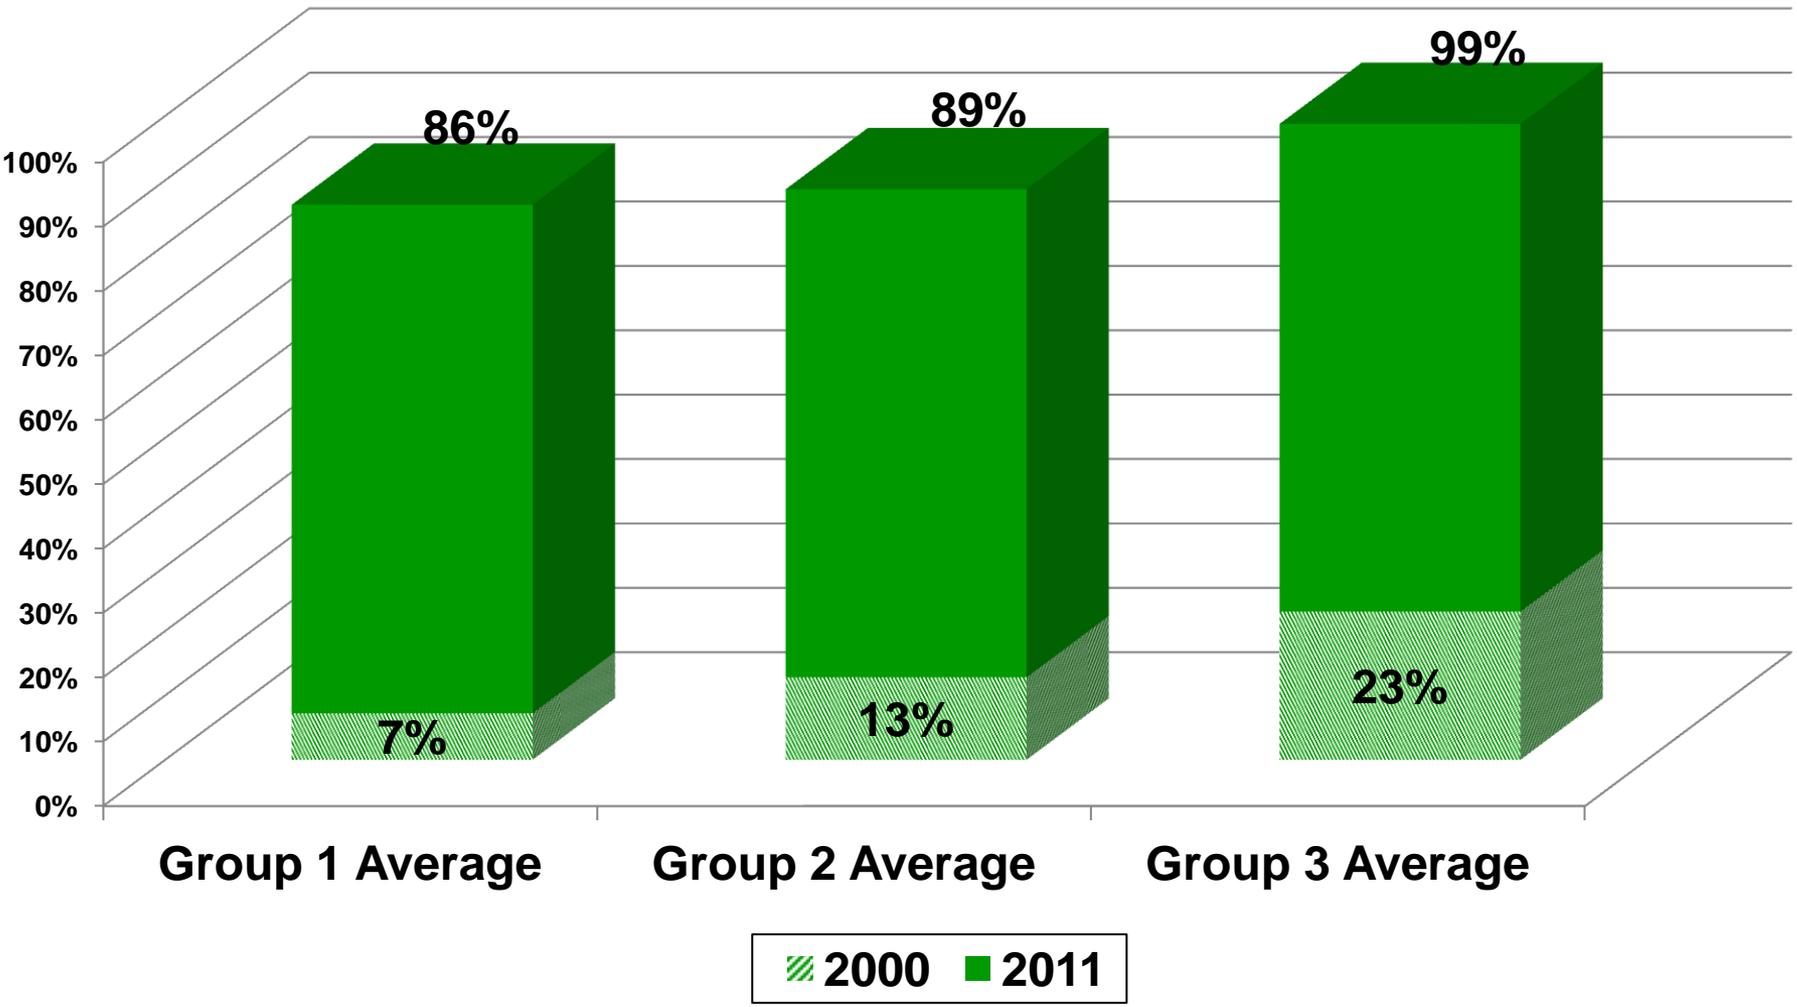

# Internet access is lower in the less stable countries – while it is nearly universal in the most stable (and developed).

Does your home have internet access?  
(Yes only)

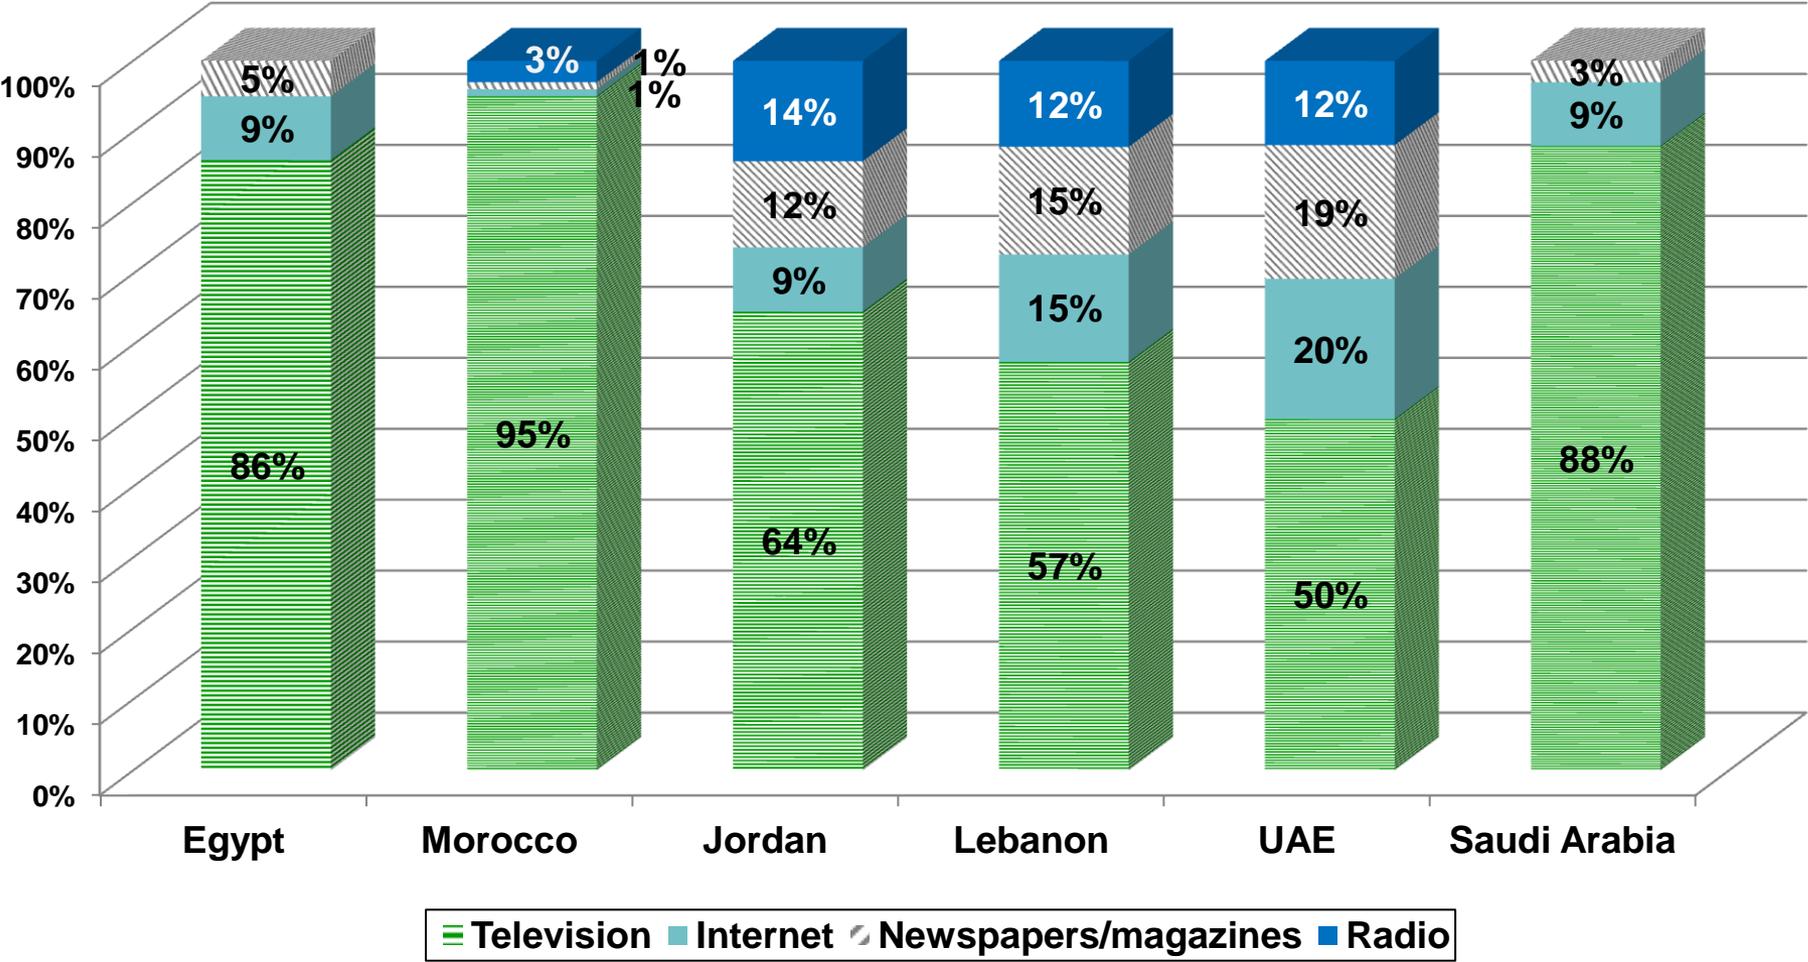

# Mobile phones have become almost ubiquitous in the Arab world, where very few had them a decade ago.

Does your home have a cellular phone?  
(Yes only)

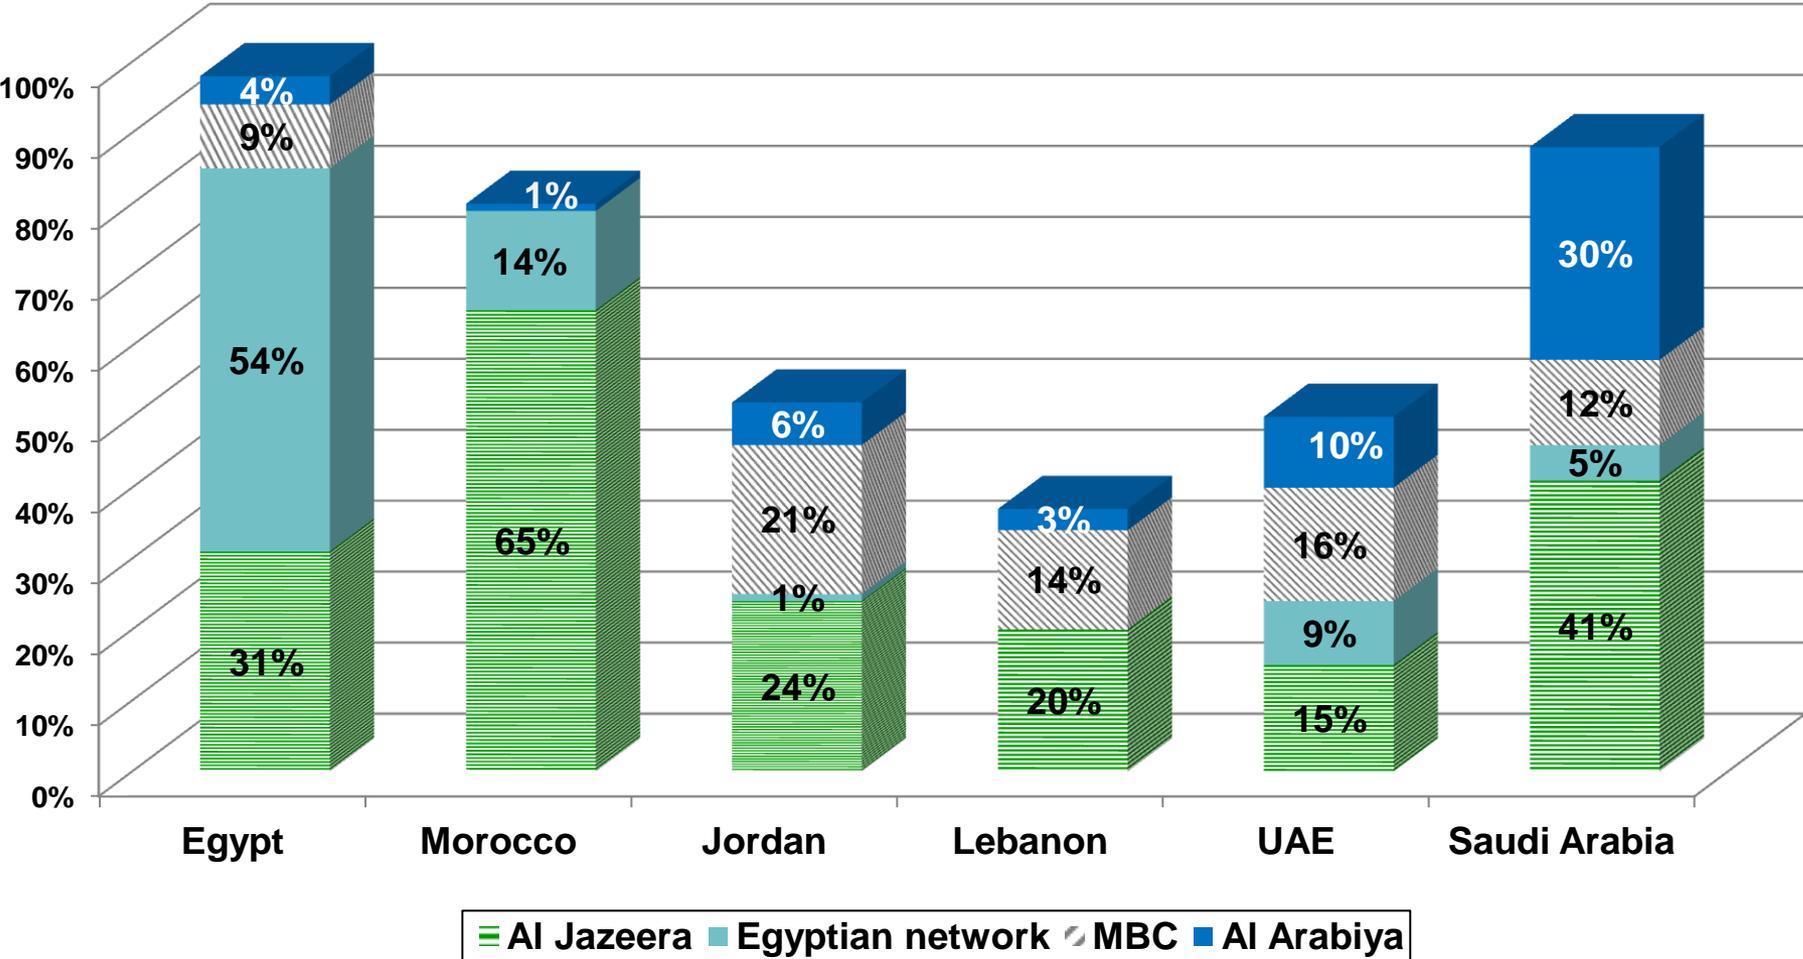

# The key news medium in the region is television, though internet and print matter in some countries.

What is your primary source for international news?

# Al Jazeera leads as an international news source, but MBC, Al Arabiya, and Egyptian TV also have large audiences.

When you watch international news, which of the following networks do you watch most often?

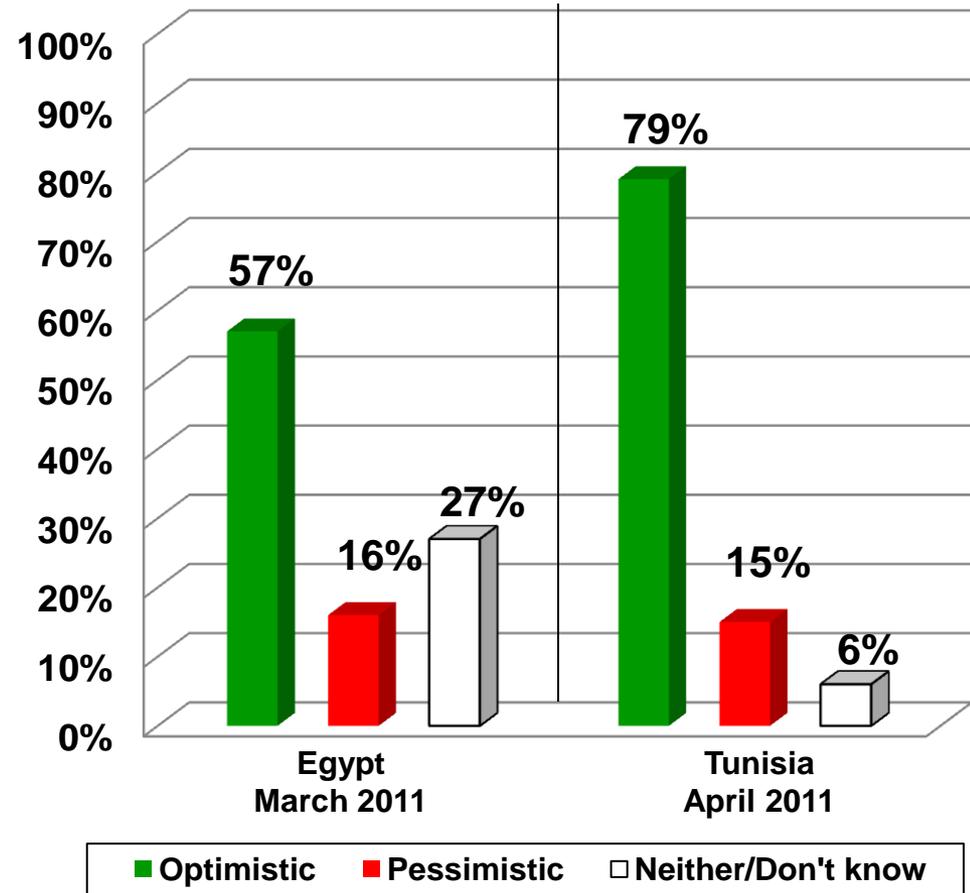

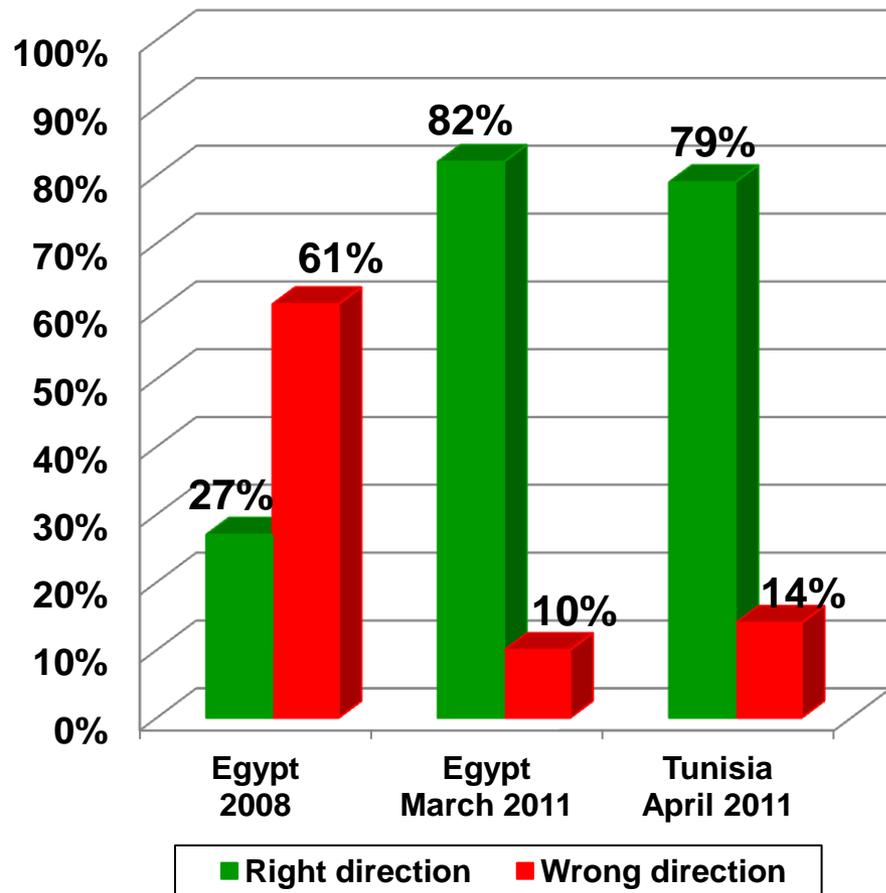

# There was enormous hope and optimism in Egypt and Tunisia following the revolutions in those countries.

Generally speaking, do you think things in [Egypt/Tunisia] are going in the right direction or wrong direction?

Are you optimistic or pessimistic about the future of the country? (Egypt)

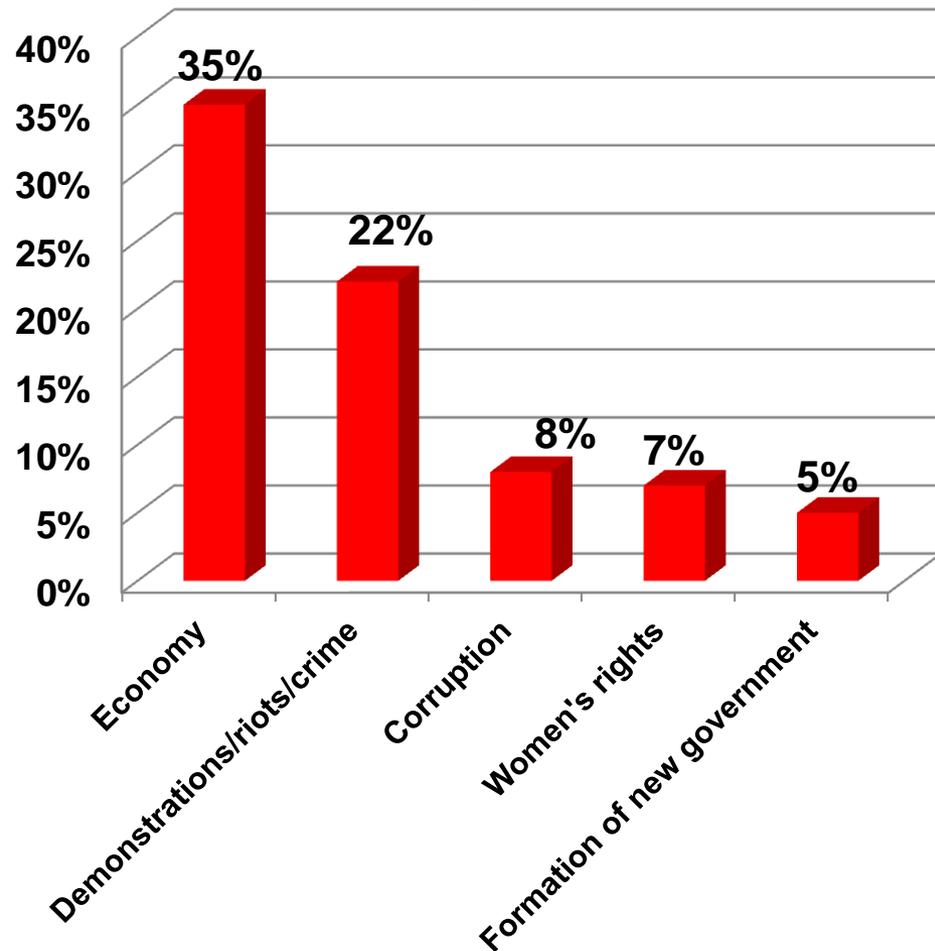

How do you feel about the future? (Tunisia)

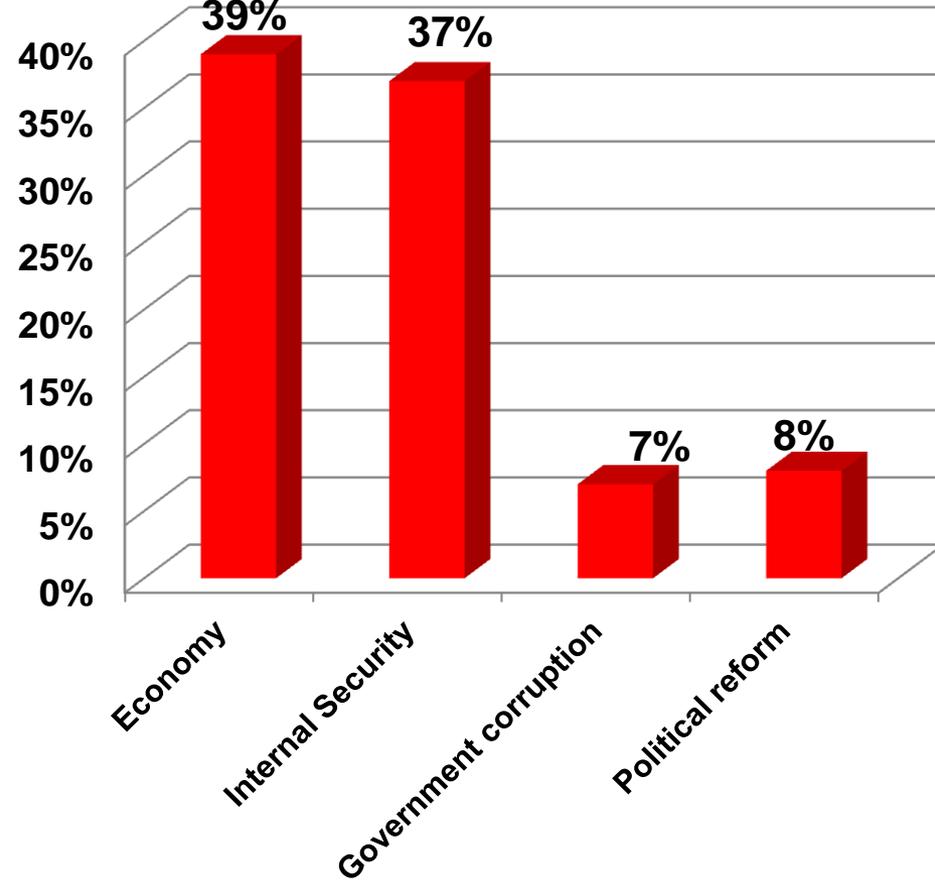

# Egyptians and Tunisians saw their countries' biggest problems as the economy and security; corruption and democracy ranked lower.

*Biggest national problem  
(mentioned by 5% or more)*

**Egypt (Mar)**

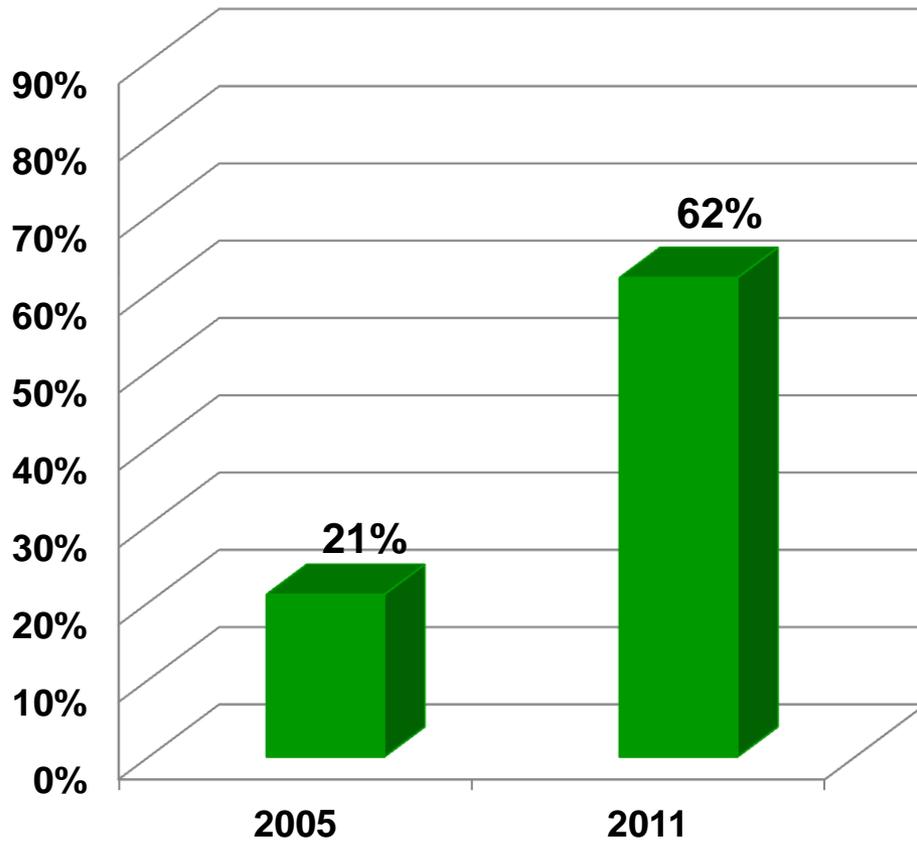

**Tunisia (Apr)**

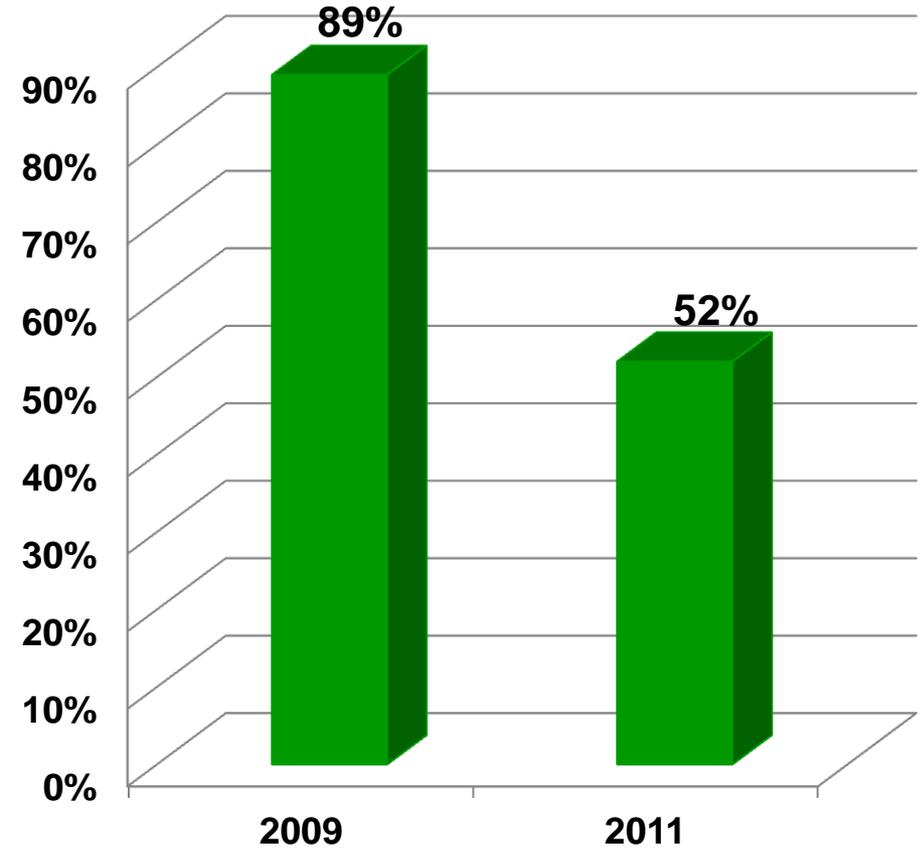

# **Voter turnout soared as Egyptians could vote freely, but dropped as Tunisians were no longer coerced to vote.**

*Egypt Turnout*

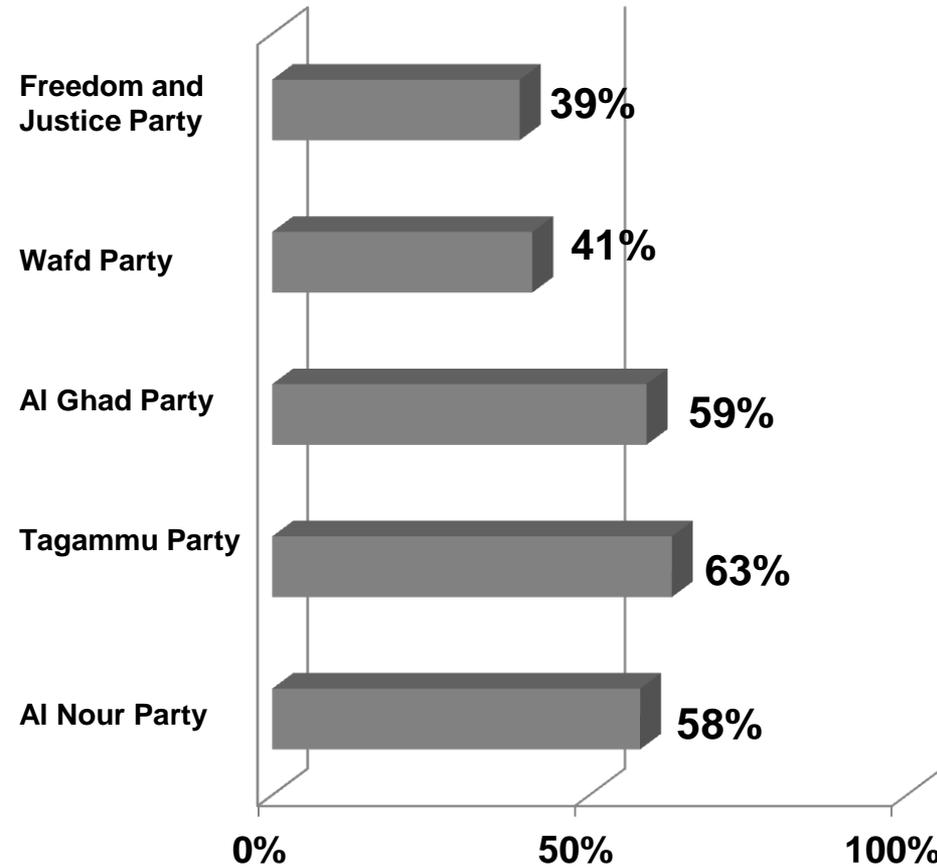

*Tunisia Turnout*

# After the revolutions, political parties were unknown to large proportions of Egyptians and Tunisians.

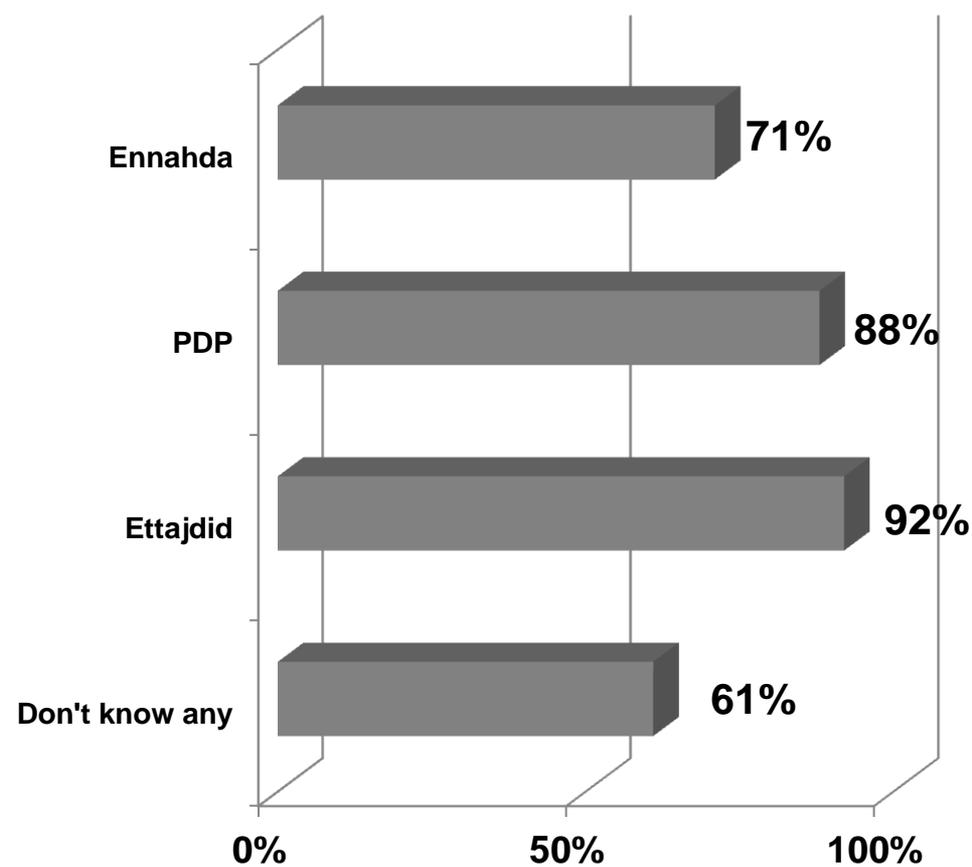

Egypt – June 2011

Party familiarity – top 5 parties  
(Don't know only)

Tunisia – April 2011

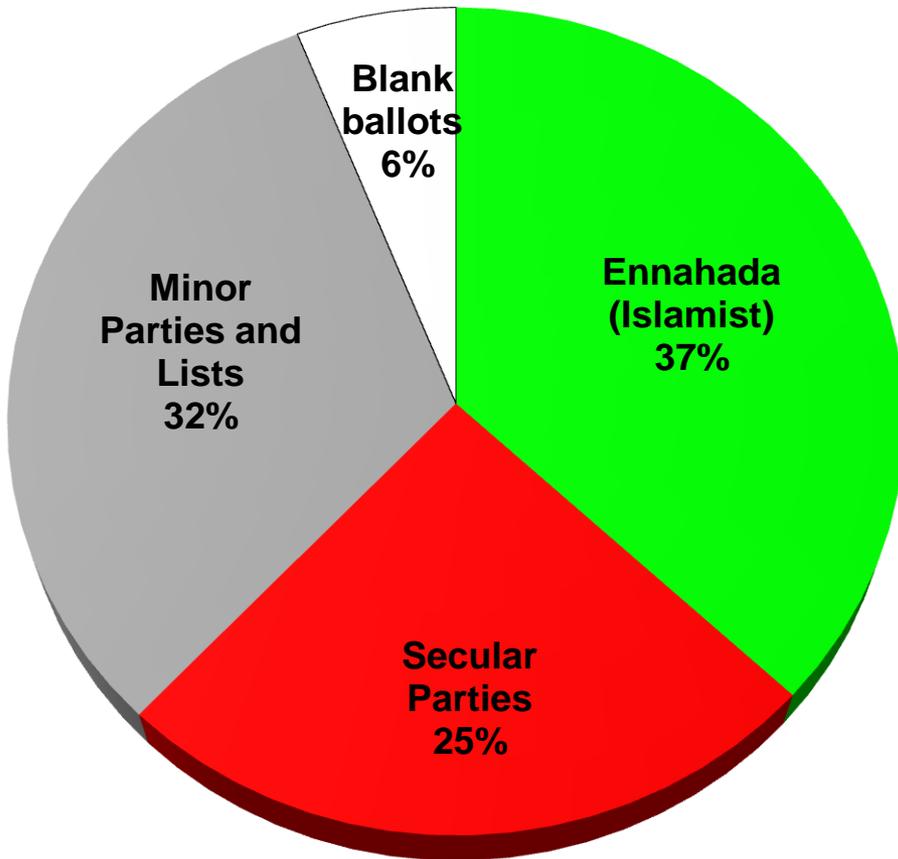

Party familiarity – top 3 parties  
(Don't know only)

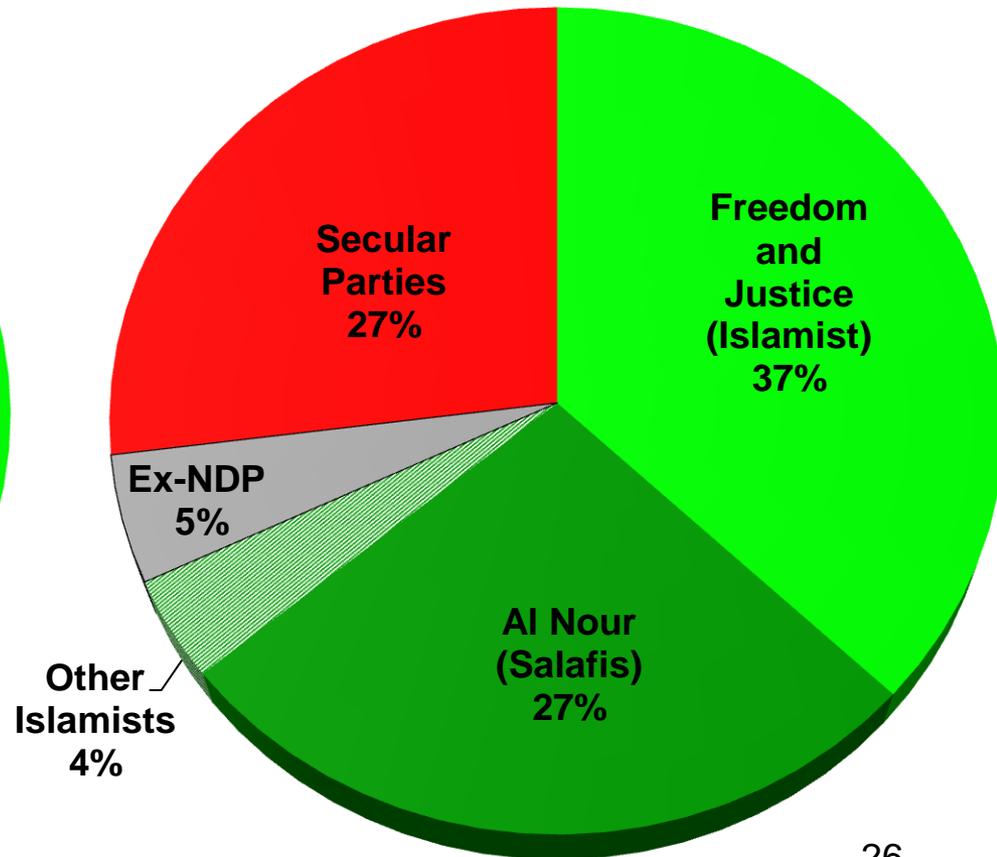

# Moderate Islamists took two-fifths of the vote in Egypt and Tunisia, Salafis one-fifth more in Egypt.

Parliamentary Election Results  
(votes)

Tunisia  
Oct 2011

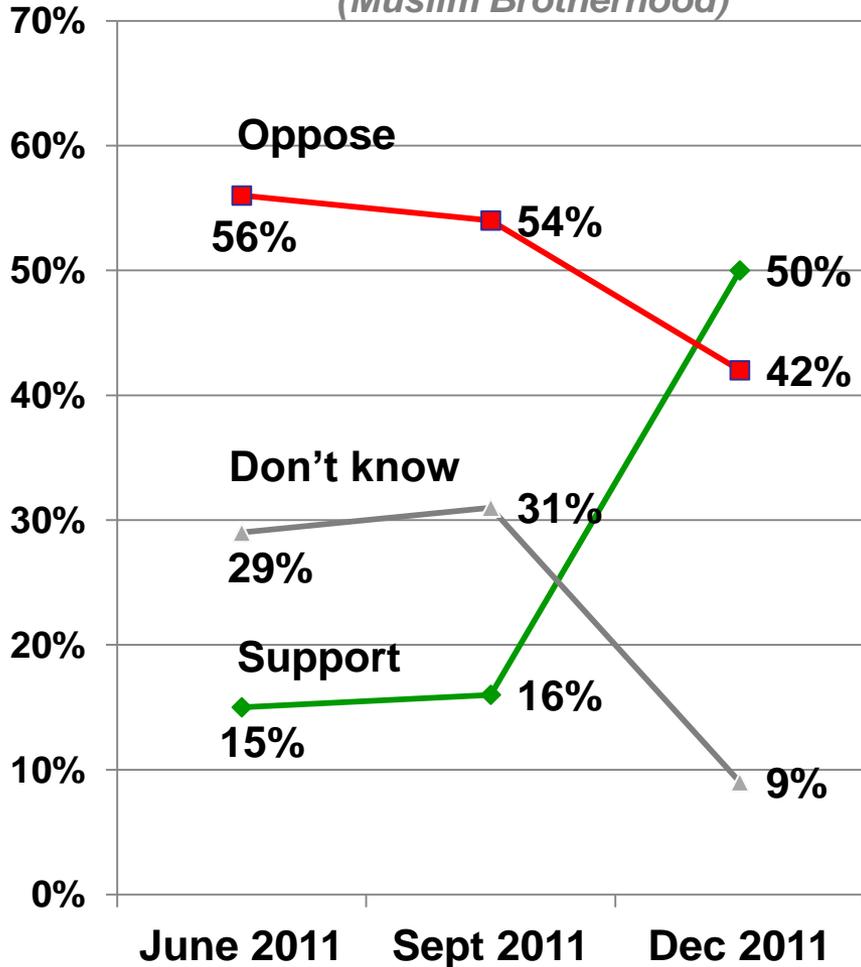

Egypt\*  
Nov-Dec 2011

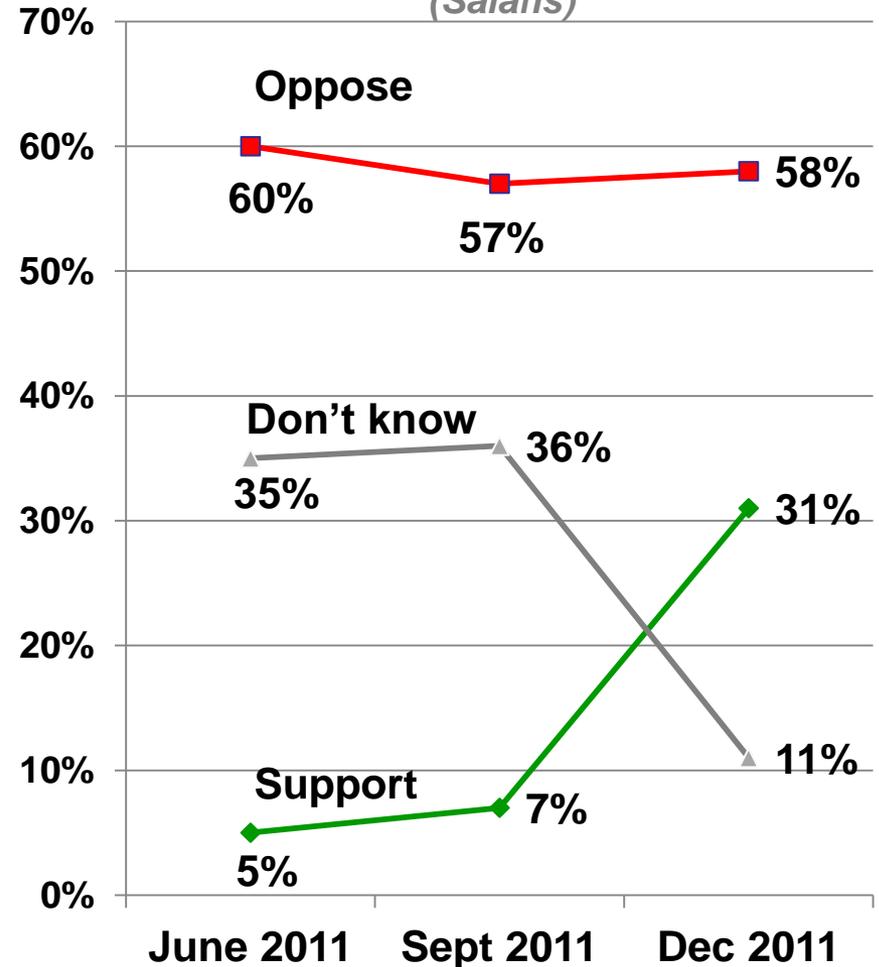

\*1st + 2nd Rounds

# In Egypt, undecideds broke decisively for the Islamists as the election approached.

*Freedom and Justice Party  
(Muslim Brotherhood)*

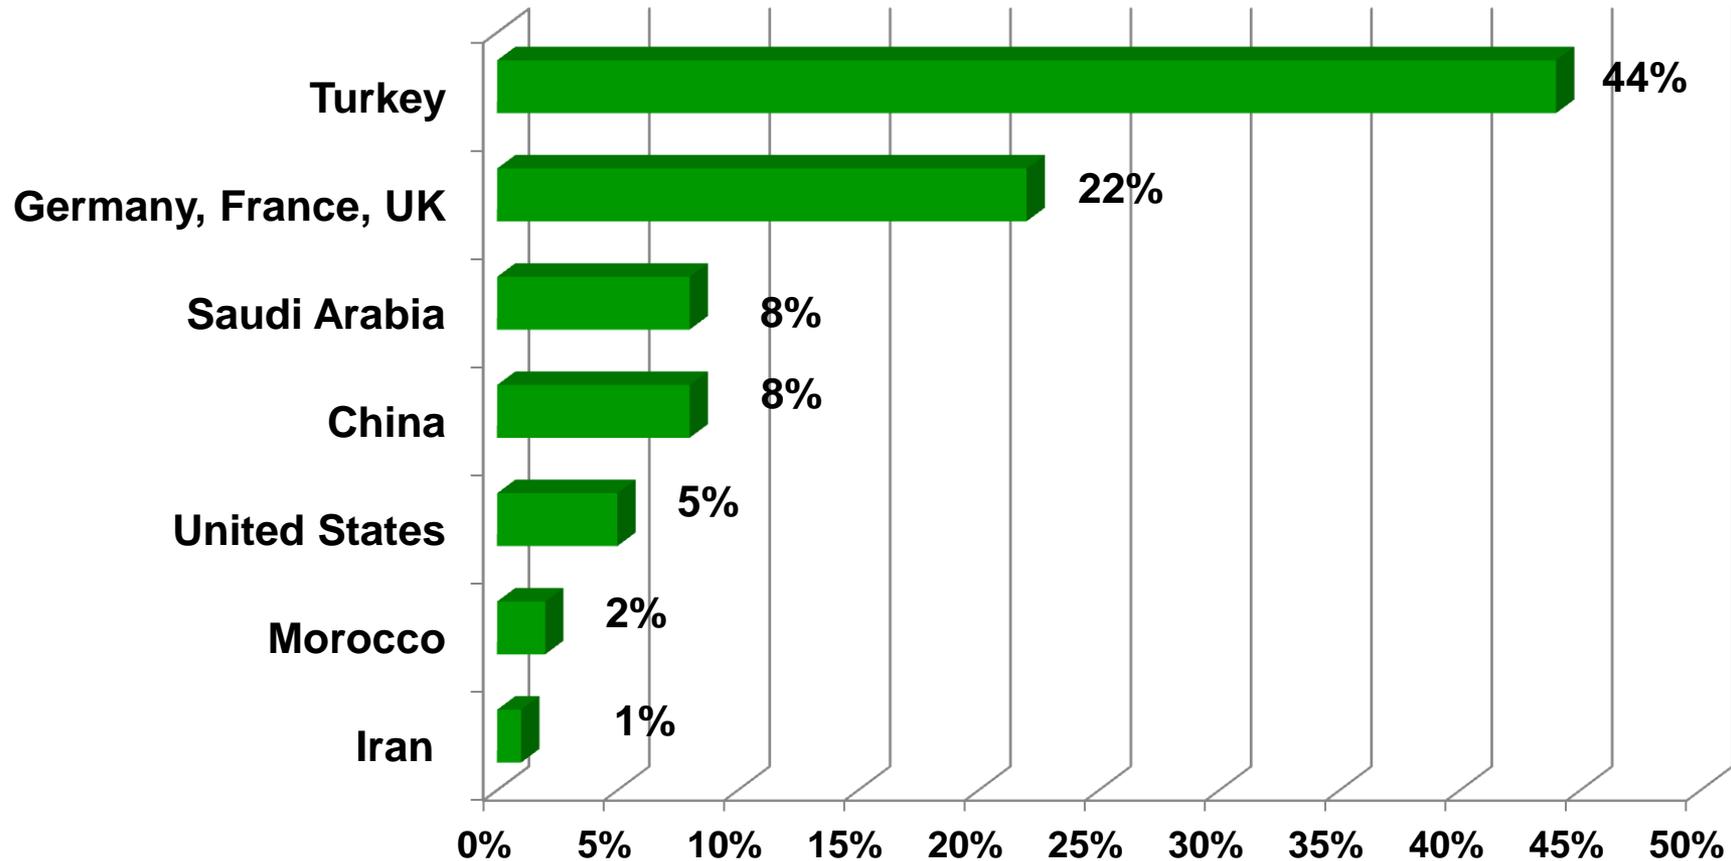

*Al Nour Party  
(Salafis)*

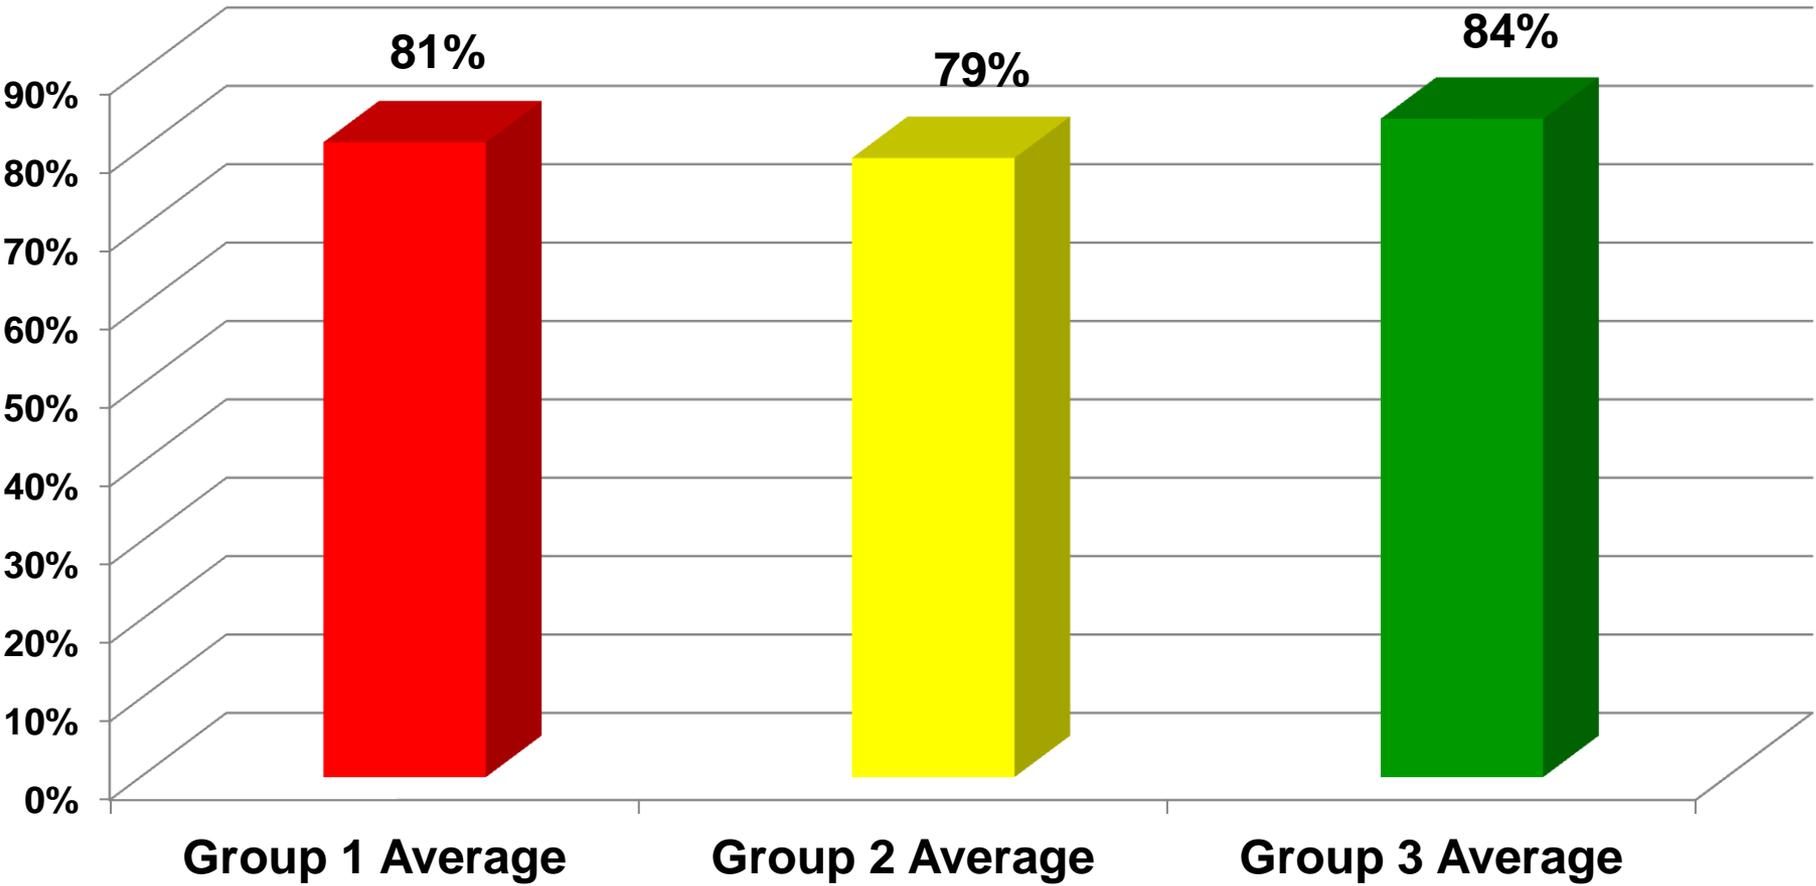

# Turkey's political system is the most popular political model among Egyptians, followed by Europe.

*If Egypt's political system looked like that of one of the following countries, which one would you prefer it to be?*

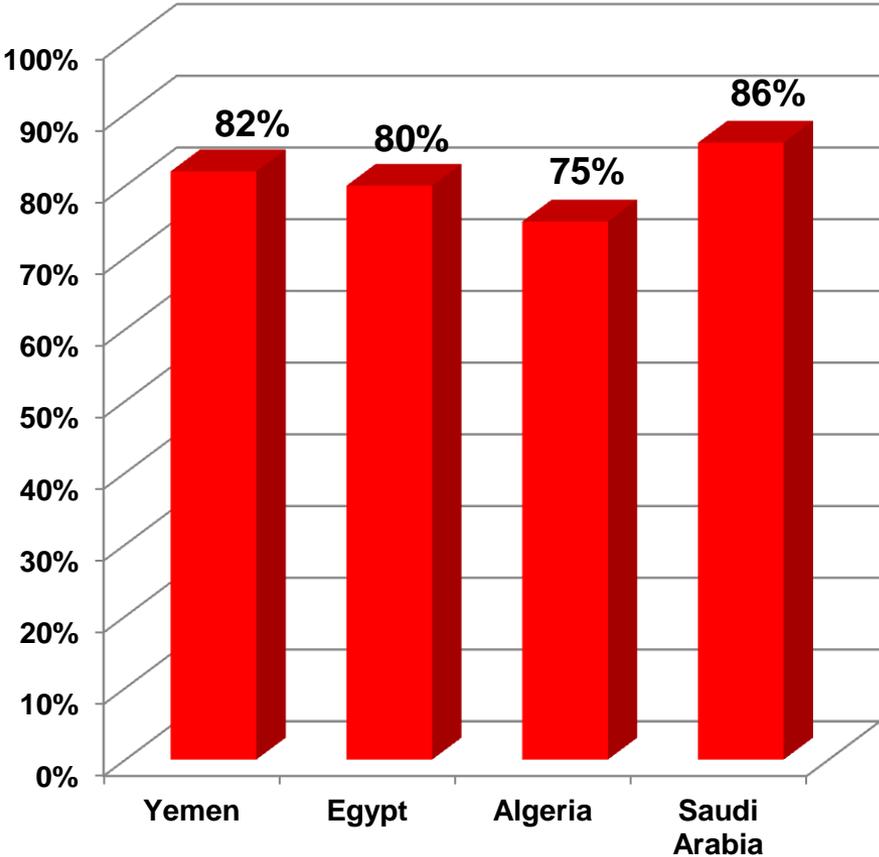

# Confidence in religious institutions is far higher across the region than that in political institutions.

*In your country do you have confidence in the religious organizations?  
(Yes only)*

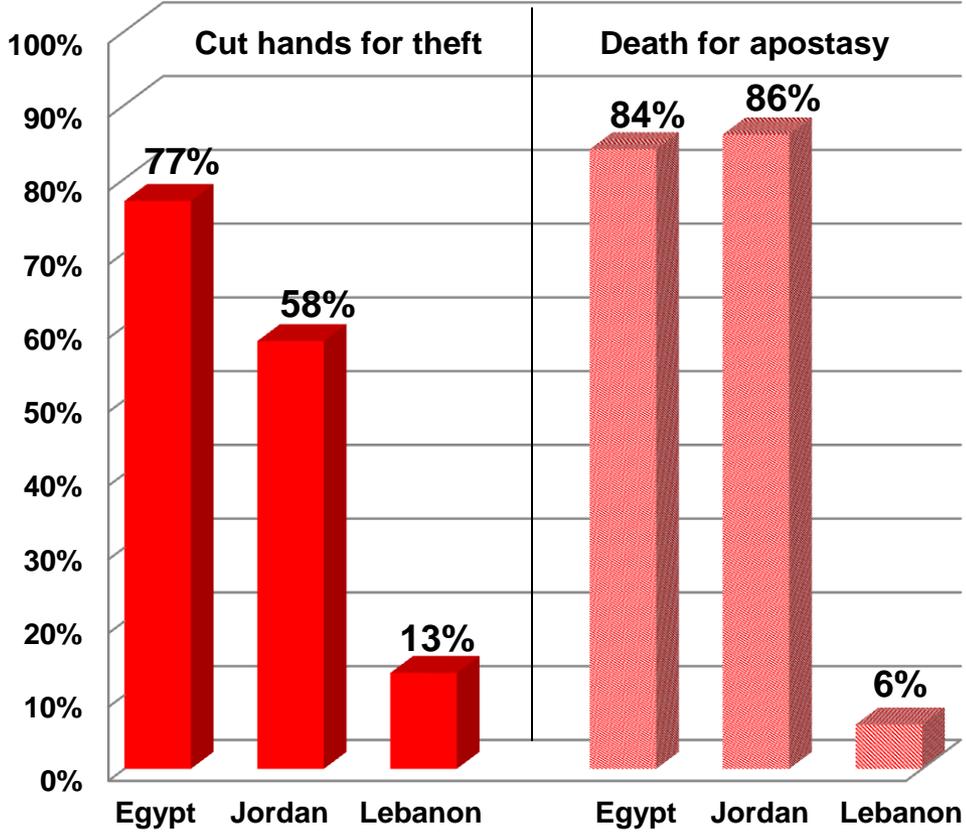

# There is broad support for banning criticism of Islam and harsh Sharia punishments in several Arab countries.

Some people say the law should prohibit criticism of Islam or other religions. Would you agree or disagree? (Agree only)

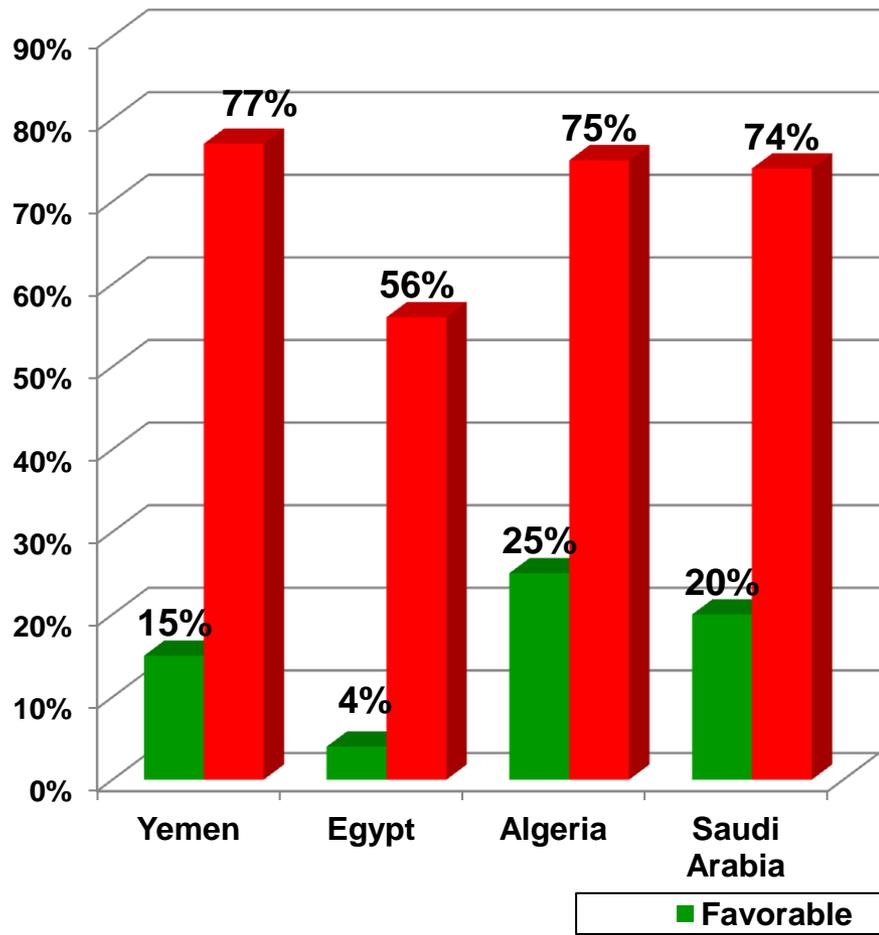

Views of Sharia punishments (Favor only)

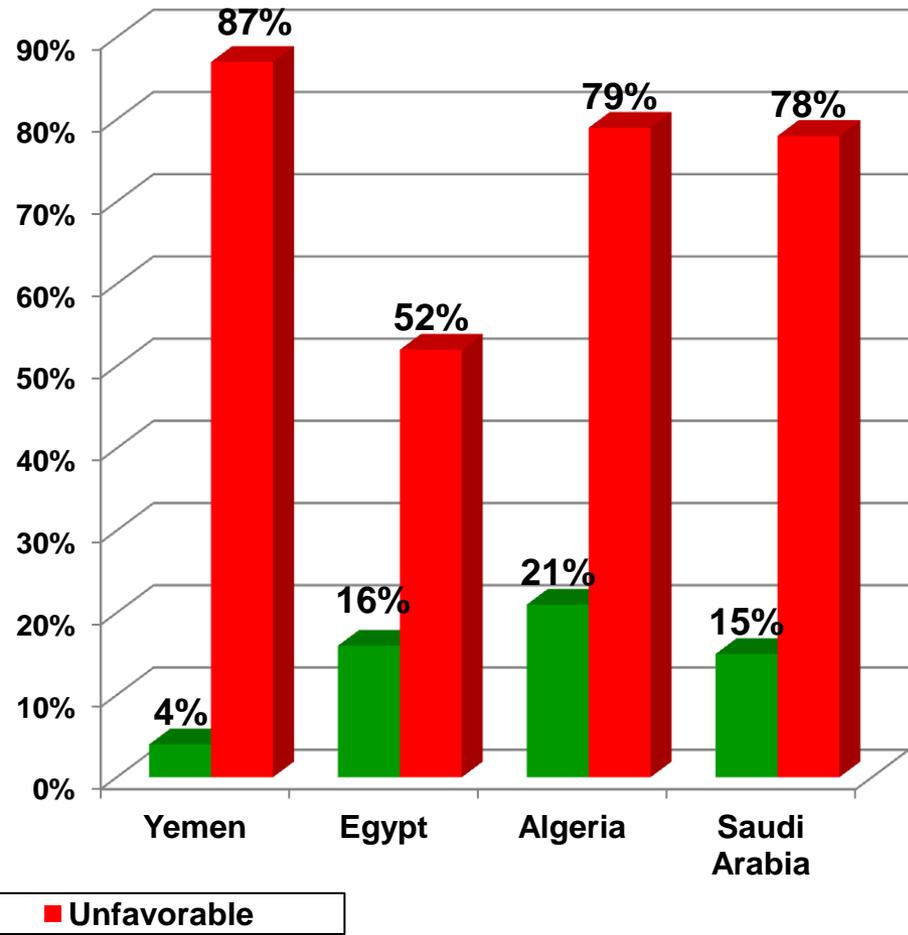

# Tension between Sunni and Shia, and Muslim and Christian, is strong in a number of countries.

Is your opinion of Shia Muslims favorable or unfavorable?

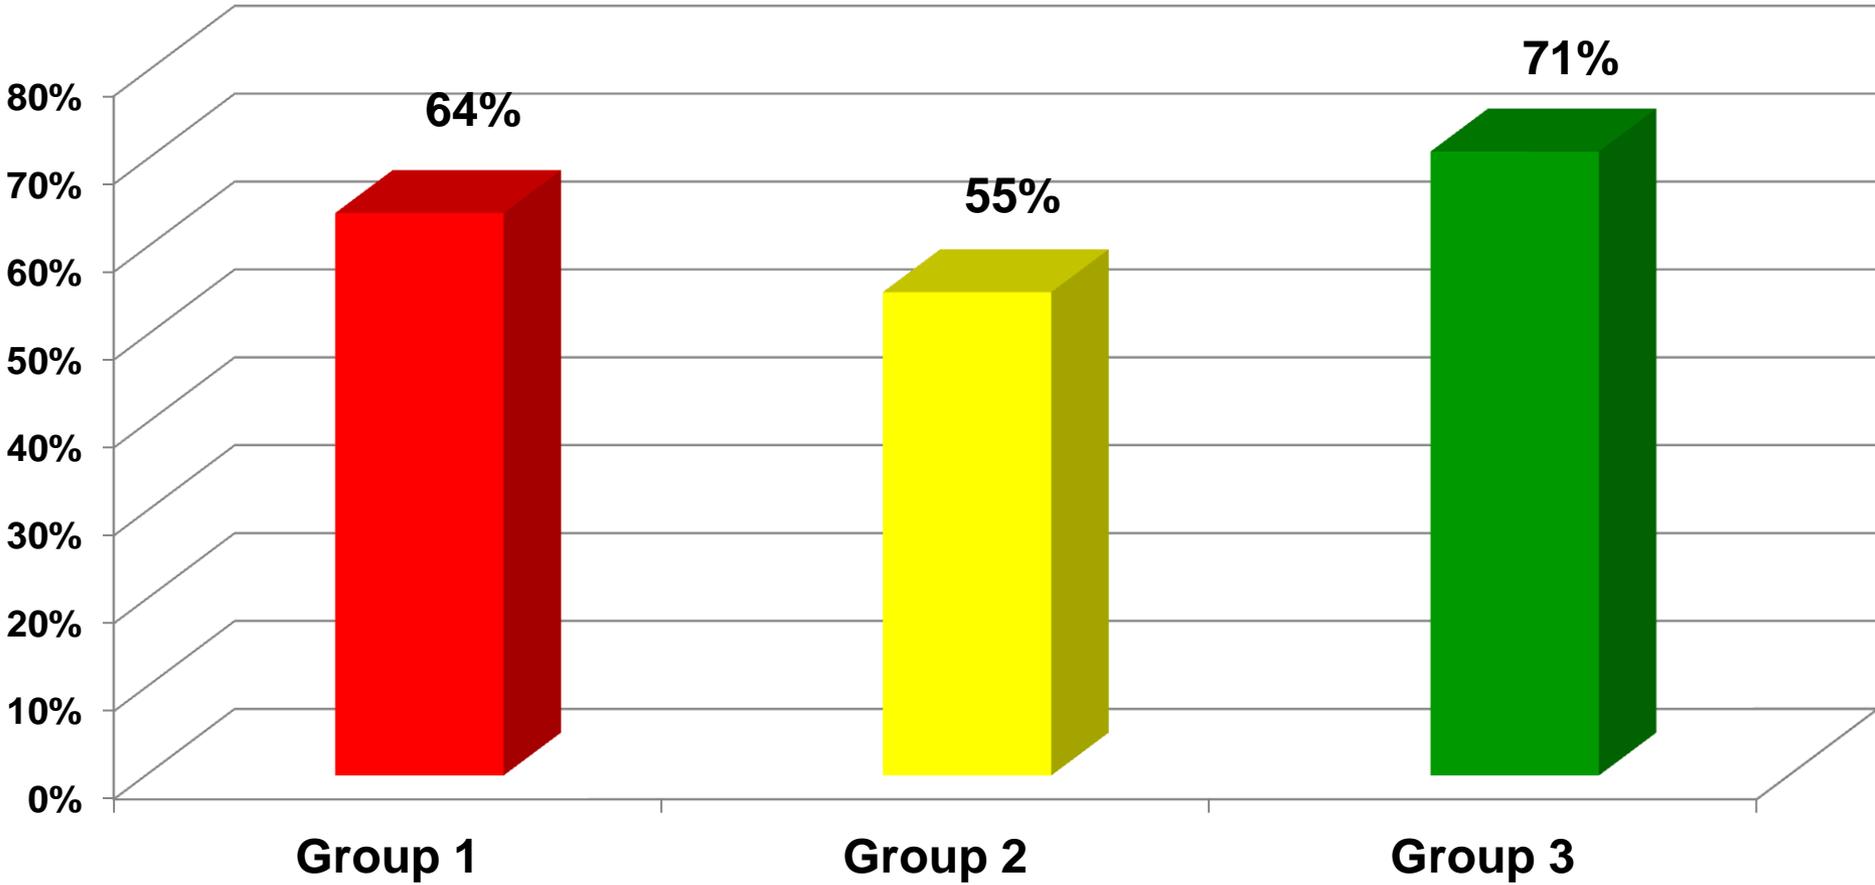

Is your opinion of Christians favorable or unfavorable?

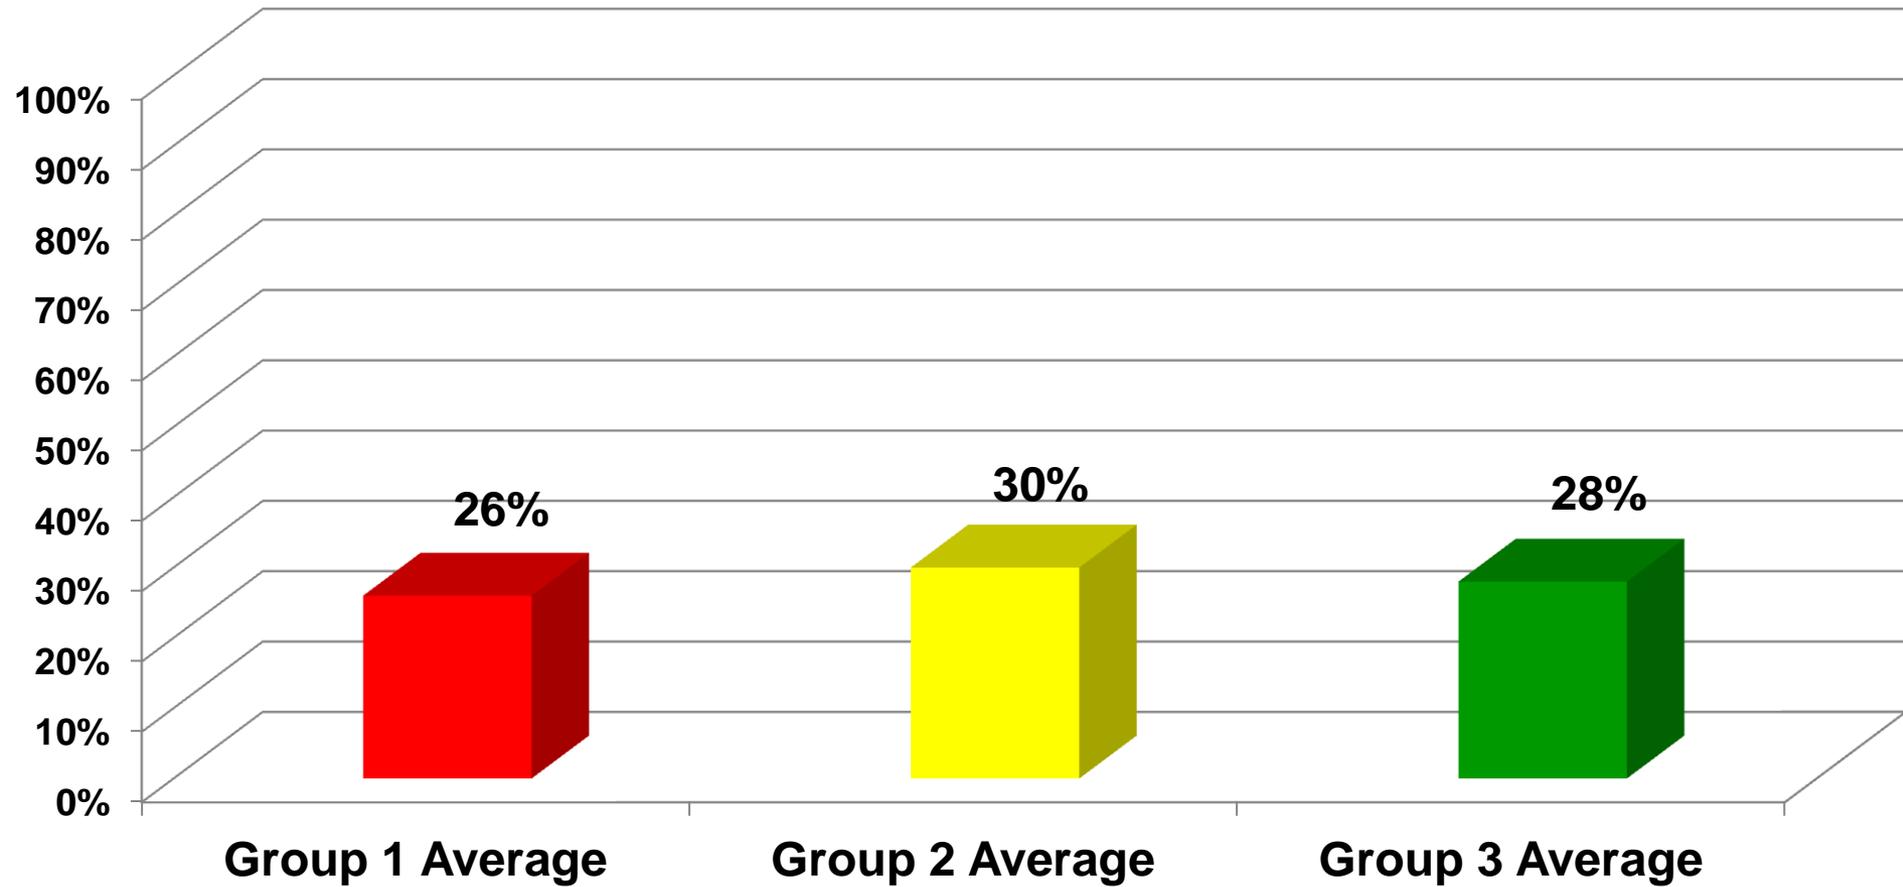

# Suicide bombing is generally rejected across the region.

*Suicide bombing is never justified to defend Islam  
(Agree)*

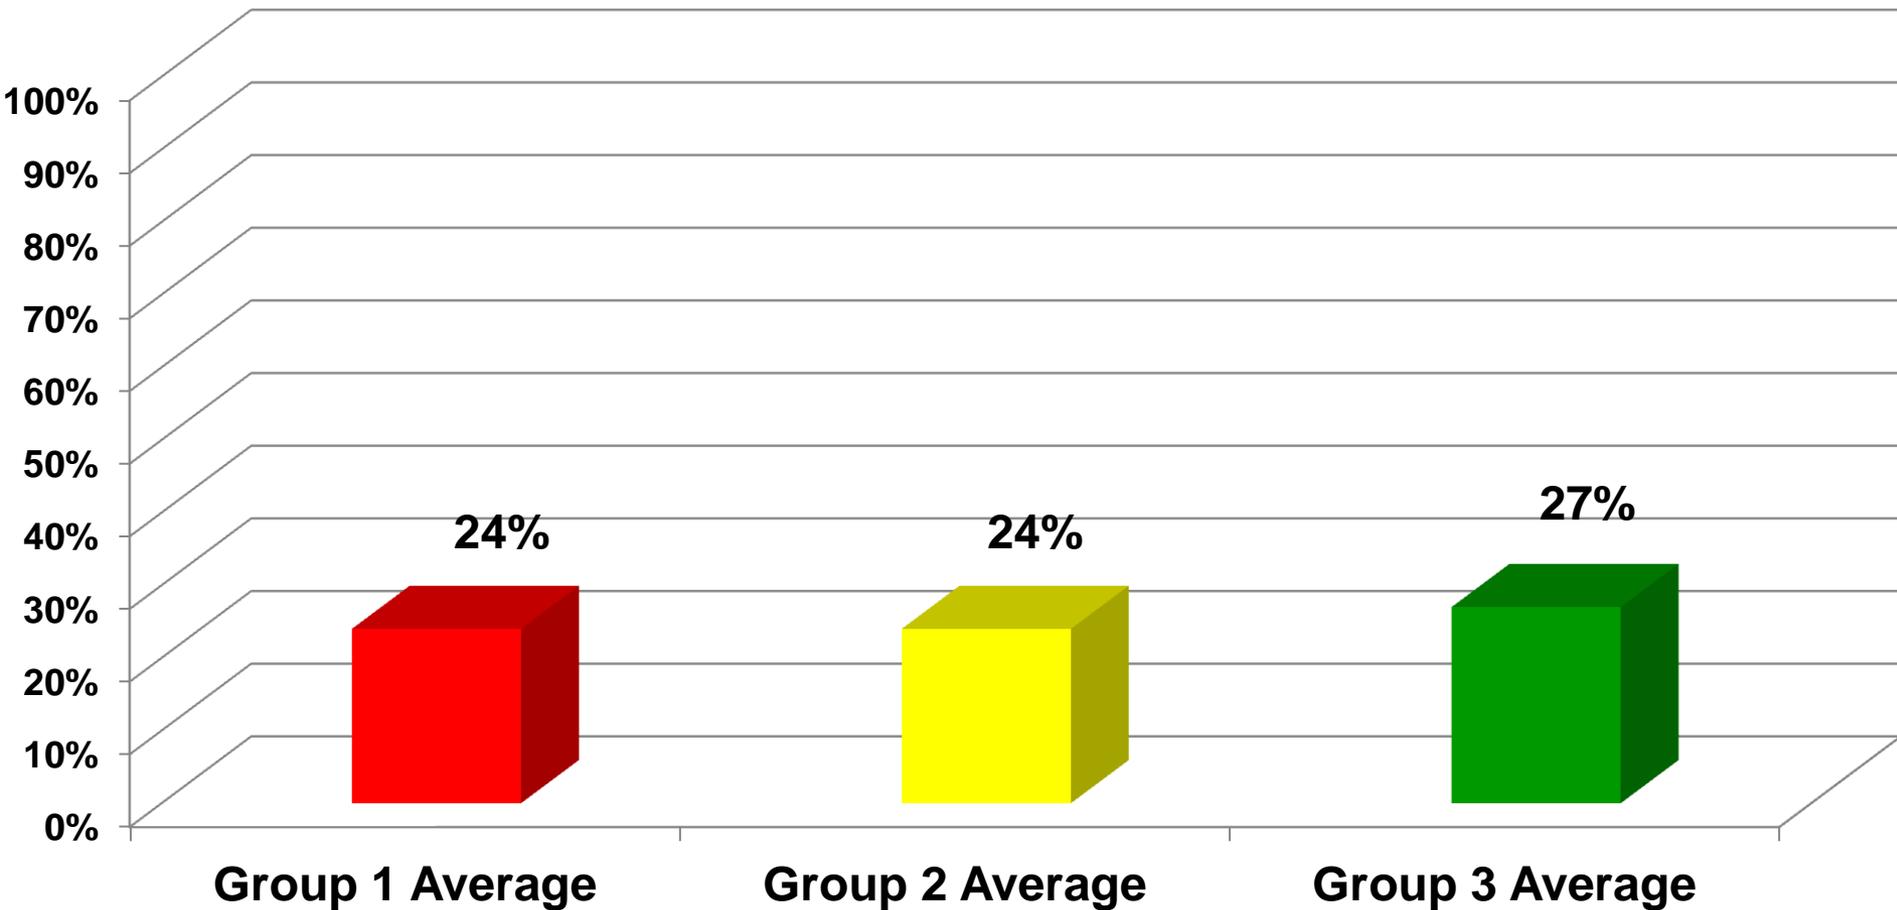

# Mahmoud Ahmedinejad, Iran's president, is not very popular with most Arabs.

Percent favorable to Ahmedinejad

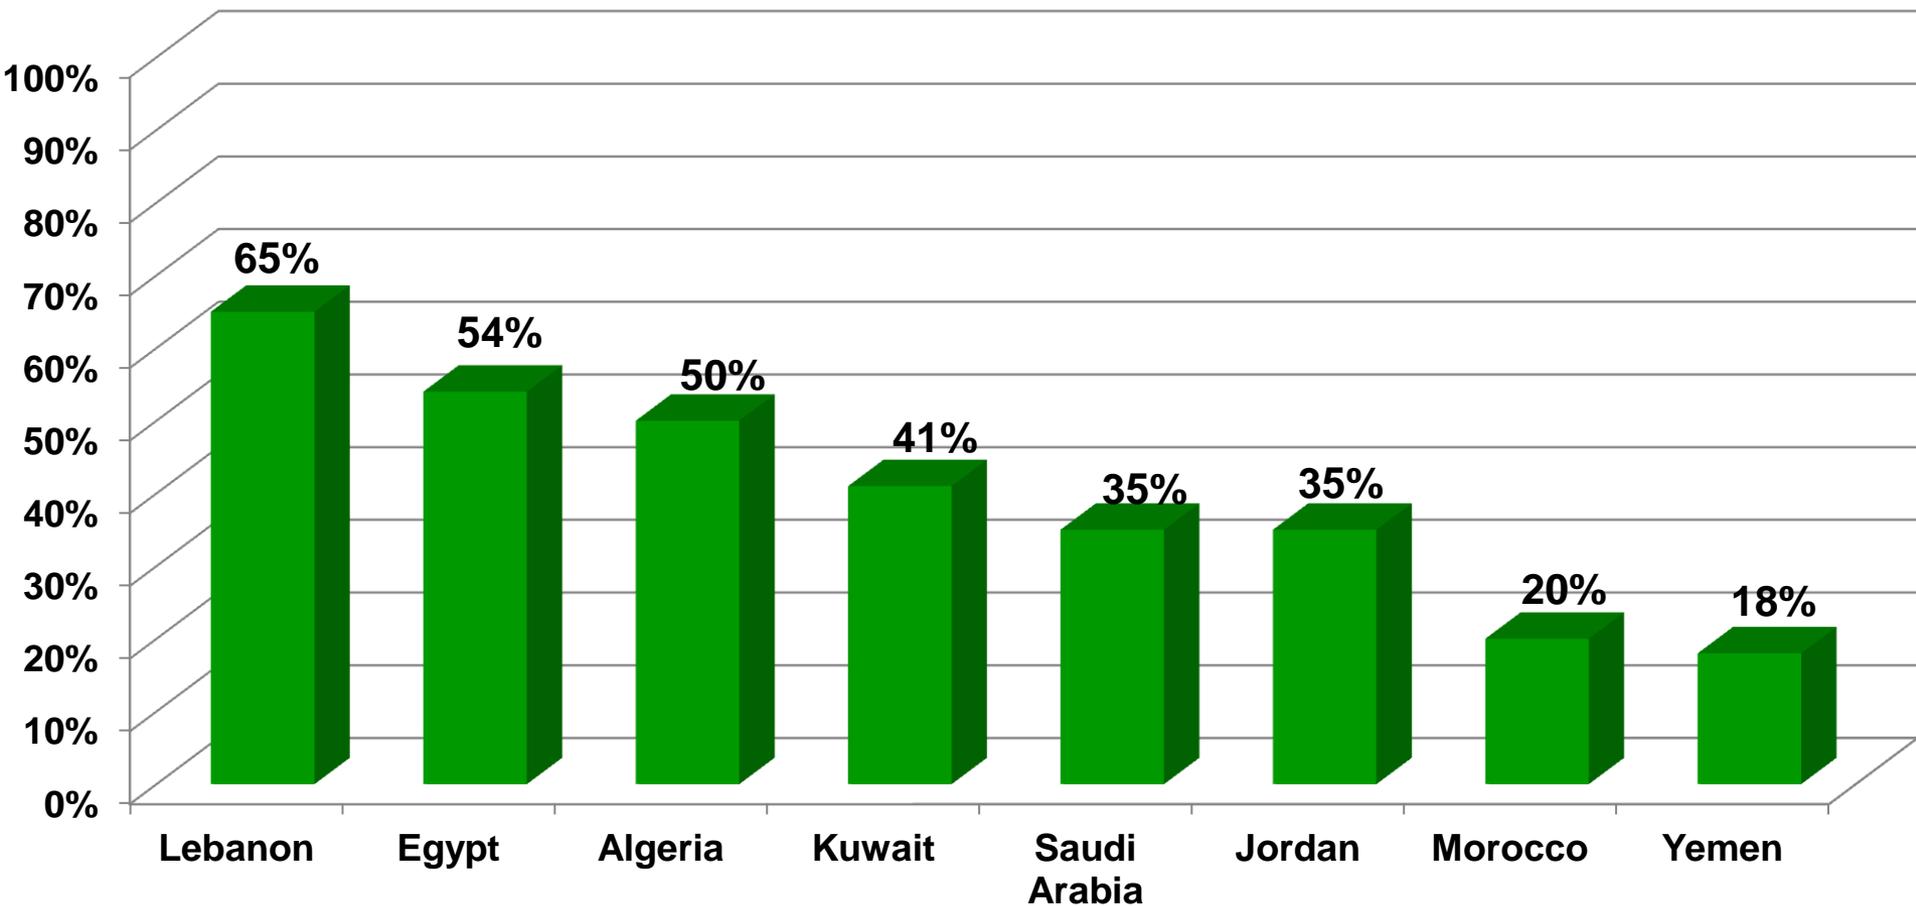

# **Favorability to America's leadership is low throughout the region, despite Barack Obama as president.**

*Do you approve or disapprove of the job performance of the leadership of the USA?  
(Approve only)*

# Views of the UN are mixed, with greater popularity in countries touched by its work for the Palestinians.

*Percent favorable to UN*

*Pew 2007, 2009, 2010, 2011; CR 2008, 2009; Greenberg 2009*
